**Hybrid Seed Corn**

We are in position to supply you with the best in Hybrid Corn.  
We have the old reliable Prewitt's Kentucky grown U. S. 3 and 103. This corn, through the years, has proven very satisfactory in good yields of high quality corn.  
We also have the Walter Williams U. S. 13 grown in Ohio just north of the river, and this is a very popular corn in Kentucky.  
Funk's G91 and G134 are favorably adapted and are very highly recommended by an increasing number of growers.  
All of our hybrids are adapted to this community and are certified as to type and purity.  
Let us book your order for any of these varieties.
