Buick's biggest hit brings you a 3-way bonus

1. You get the car that's in step with tomorrow

From stem to stern, Buick today is styled a year ahead—with long, low glamor lines, with the very look of tomorrow, and with that broad panoramic windshield in the stored panoramic windshield will store the stored panoramic windshield will store the stored with the stor

sure high resale value

Buicks have always had a high tradein value. But the 1954 Buick has an extra advantage in its year-ahead styling. That means your Buick will stay well up in the style parade for years to come – will stay fresh and new-looking well into the future. So you're bound to be way ahead in actual dollars when trade-in time comes.

2. You get the car that's a

3. You get a bigger allowance from our volume business

> Every month's sales figures this year have firmed this fact: Buick aleas are soaring! Buick is outselling all other cars in the nation, regardless of price range, except woo of the "low-price three." So with this tremendous volume, com- and do-offer higher trade-in allowances. Come in, see and drive a new Buick-then teck for yourself that our volume business really does mean a far bigger allowance for you.
