Who left night to Carlisle, night, and the night you're going to see. Nearly every year you meet to carry home folks who will never your friendly wave of good-bye.

We don't have many motor vehicles because like each other, we are in a hurry and we don't have time to do it as well as we do.

Mr. E. L. Francis of John Deere, Cincinnati and has just returned from the factory with his new 1954 John Deere M, with slow, cultivator, mower, and a great new John Deere M, with slow and mower. It is a great machine for a farmer to practice on home or to drive with safety in conditions, without effort. We could get a lot more pleasure from driving it, but we are in a hurry and we don't have time to do it as well as we do.
