Can You Identify This Mystery Farm Photograph?

MYSTERY FARM NUMBER 28—Farm 27 was identified by five people but was being the home of Mrs. and Mrs. Jesse Alexander on the Concord road. The house is log construction consisting six large rooms and two hallways. It was purchased in January 1946 from the previous owner, Ben Wagner. The Alexanders have made numerous improvements in 17 years such as addition of new porches, front buildings, a lake, workshop and have completely remodeled the house. They have three sons. Those making correct identifications were Katy Alexander, Worth Scott, Frank Henry, Mrs. Omar Workman and Maude Taylor. The owner of the farm proposed that we give a mounted print of the will call at the office for same.
