CENTRAL KENTUCKY CONFERENCE ROUNDUP...

Admirals Get Chance To Up Prestige With Eagle Battle

Irvine Unbeaten In Conference Play

The high-riding Danville Admirals who apparently established their supremacy in the CKC Friday night with a 7-0 win over Henry Clay, get another chance to increase their conference prestige this week when they travel to Irvine to battle Joe Ott's Golden Eagles.

The Estill county eleven has two wins and a tie for their CKC record with the deadlock coming at Richmond Thursday night as the Admirals battled the Madison Purples. Both clubs were slowed by the wet condition of the field.

The Eagles rate as nobody's pushover with flashy Ruff Nicholas at halfback and his brother Bill at quarterback. Coach Ott has Butch Danville's Mack Jackson and John Knight are expected to lead the Admirals to their third straight conference win.

Carlisle-Nicholasville

The Carlisle Blue Raiders—knocked off the top of the standings by Harrodsburg's Golden Devils 19-7 Friday night, brace themselves for and invasion by Nicholasville's Colonels. The Lancaster feed in its opener 27-27.

Unless the Colonels step up with plenty of surprises this could be their second defeat. Nicholasville rolled to its third CKC win over Harrodsburg 26-13 Friday night with speedy Bob Sinnett sending his point total to 53 on the basis of a pair of first half touchdowns.

The re-surging Versailles Yellow Jackets rode to their second straight loop victory Friday night at Winchester on the accurate throwing arm of quarterback Bill Collins. Collins passed for one TD and kicked two others extra points as the Jackets won 20-0 over the hapless Shawnees.

Versailles-Frankfort

The week before Collins completed eight of 11 passes against Georgetown, one for a touchdown, as Versailles upset the Bufis 7-2. They trample Frankfort Friday night and should own their conference record as the punchless Panthers lost their fourth in a row to Georgetown 17-0.

In fact outings to date the dizzying champs from the Capital City have scored only 13 points and have fumbled enough times to give Coach Ollie Leedy's bouncing nightmares.

Ky. Wesleyan Paces Greyhounds 13-6 victims of Stanford last week, travel to Frankfort for an encounter with the Elkhorn City. The Elks may pick up their first win of the season at the Greyhound's expense as they tied Estille, a team that defeated Paris 26-19.

Shelbyville-Anderson

What should be one of the most interesting conference battles this season is shaping up for Friday night at Shelbyville. The Red Devils host the rejuvenated Anderson Bearcats who proved their early season successes were no flukes by crushing the Cynthiana Bulldogs 26-12 for their third win batting psyedirt once. Bud Lane added a clinching TD for Anderson.

Meanwhile their upcoming opponent, Shelbyville was romping over MMI 31-8 for their third victory. Passing Herbie Kays engineered the shelling of the Cadets.

Another tussle which could bear watching is the Harrodsburg Lancaster battle in the Pioneer city. Lancaster has proved it a team to watch in the CKC while the Pioneers have been running hot and cold all season.

Henry Clay-Mt. Sterling

Henry Clay should rebound from its loss to Danville with a victory at Mt. Sterling. The Ironjaw opened strong but faltered in later action.

The MMI Cadets engage in a non-loop fray by entertaining Greenup in Millersburg this week.

Not Transferable

One person may not sponsor boxing matches or exhibitions under a license granted to another, the Attorney General's office advised the State Athletic Board of Control which inquired if an exhibition at Hawesville, operated by one person, could sponsor or promote matches upon the license of someone else.

"If the person to whom a license is issued is permitting such operations, then the license or permit should be revoked by the board," Assistant Attorney General Earle V. Powell wrote the Board.

Must Be Resident

The Attorney General's office held that a city attorney must be resident of the city he seeks to serve, though a city may employ a non-resident for specific cases as special counsel.

The opinion went to A. J. Graf, Newport, who inquired whether a resident of another county or city could legally serve as city attorney in a community where he does not reside.
