STOP "GIVE-AWAY **GOVERNMENT**"

During this election, you've heard a lot about "gives-way government." Maybe you thought it was just a political label that Democrats ap-plied to the Republican administration to get votes. If you did, you should know about the River Rouge National Forest in Oregon.

River Rouge National Forest in Oregon.

outside the TVA area, without the formality of competitive bids! Look at the hatchet job the administration has done on soil conservation, rural electrification, federal aid to education and mail business. ... no, there is no room for doubt the party in power today runs the government for its friendly.

You can put a stop to this "give-away govern-ment" NOW! Send Alben Bariley back to Washington, to lead the fight for representative government...and to pave the way for an hon-est Democratic administration in 1956!
