BROOKS HINKLE
for
REPRESENTATIVE
In The Democratic Primary

To The DEMOCRATIC
Voters of Nicholas County:

The next session of the legislature will be of vital interest to all people of this district.

Matters affecting county, district and state-wide problems will be considered by it.

I pledge my efforts to the enactment of legislation affording adequate care and treatment for the mentally ill, physically handicapped children and the inmates of our institutions.

I shall support the Minimum Foundation Program. I recognize the issues involved, having been principal of the Little Rock School since 1941, well knowing the school needs of our state.

I have been a longtime member of the Farm Bureau and am interested in the development of its program, the agricultural extension program, 4-H Club work, and the activities of the Future Farmers of America. I shall support not only the beneficial projects of each of these groups, but also those of the Department of Agriculture and Home Economics Extension and the Soil Conservation program.

I feel that I am well versed in the problems and issues of the farmer, having been reared on a farm and currently operate a farm of my own.

I recognize the careful, intelligent planning given you by your elected officials. I shall cooperate with them fully in the presentation in the legislature. If I am elected, I pledge all my efforts to assure you this type of representation.

I believe that the people of this district are entitled to careful and responsible representation in the legislature. If I am elected, I pledge all my efforts to assure you this type of representation.

I am a Veteran of U. S. Military service, having served four years in World War II. Currently I am commanding officer of Co. B 149th Infantry Regiment, U. S. Army Reserves, which has recently been organized in Paris. In the capacity of being a Veteran and active in the Reserves I feel my qualifications are more than ample in regard to knowledge of the type of legislation beneficial to veterans.

I believe I am qualified to represent you. As to my personal education I have an AB degree from Eastern State College and have my Masters Degree from the University of Kentucky.

Upon the foregoing pledges and from this statement of my qualifications, I respectfully solicit your support of candidacy for the office of Representative in the Democratic Primary, August 6.

Because Buick sales are soaring past all records—
We're declaring a profit-sharing bonus for you

2308[14] † delivered locally —less the whopping big allowance we'll make on your present car!

12-door, 6-passenger Buick Special Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

THIS we've never seen before —a sales year that's shattering every record in the Buick book —a soaring success far greater than the one that moved Buick so solidly into the Big 3 of America's best sellers.

So we're going to share profits with you—by stretching our regular big trade-in allowances to practically our break-even point.

That means you can now buy the most wanted Buick ever built—for less than ever before.

That means you can have Buick style distinction and prestige—Buick room and comfort—Buick size and solidity—for plenty dollars less on the profit-sharing deals we're making now.

And that means you can have, at a terrific buy, the hottest-action Buick in history—with walloping V8 power raised to new highs, and with the spectacular performance of Variable Pitch Dynaflow*—world's first and only transmission using the switch-pitch principle of the modern plane's propeller.

Come in today—tomorrow, for sure—and see for yourself that you can now make the biggest buy of the year on the car that's far and away the thrill of the year.

*Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick—
Biggest-selling Buick in History!
(So we're trading high, wide—and then some!)
