Dangerous Pet

This paragraph from an article in Christian Economic, could be profitably read and memorized by all of us. There is little danger that the people of our country will ever adopt communism. We know for what it is, and we do not want it. Our danger arises from the fact that most of our citizens are not well enough educated to understand the nature of this socialism, when fully developed, becomes communism or some form of totalitarianism. Many groups are said to be deluged but they are going into dangerous waters.

Harvest Festival

Local men and women got together like the fingers of a hand. So it is logical that the two which are combined in a promotion committee. That happened last fall, and the promotion highly successful from the viewpoint of the producers, consumers, and other concerned. It is reported that this year the festival will be celebrating the arrival of the Fall feed crop and plentiful fresh vegetables, with the festival.

United States

The United States is a large country with a population of 120,000,000. It is a country of many different people and many different customs. It is a country of many different religions and many different languages. It is a country of many different climates and many different seasons. It is a country of many different cities and many different towns. It is a country of many different mountains and many different rivers. It is a country of many different lakes and many different streams. It is a country of many different forests and many different fields. It is a country of many different animals and many different plants. It is a country of many different people and many different customs. It is a country of many different religions and many different languages. It is a country of many different climates and many different seasons. It is a country of many different lakes and many different streams. It is a country of many different forests and many different fields. It is a country of many different animals and many different plants.

62% of Adult Citizens Say Their State Needs More Highways

By KENNETH BIRN
Director, Public Works Service
Pittsburgh, Pa. (Special)—More than three out of every five of the adult population in the nation are of the opinion that their own state needs more highways to handle the traffic.

1,500 Attend Dedication at Blue Licks; J. P. Installs New Front to Building

Thursday, August 21, 1935
Despite a steady drizzle, approximately 1,500 people attended the dedication of the new monument at Blue Licks. The program was arranged to commemorate the 153rd anniversary of the Battle of Blue Licks, which took place on August 19, 1782.

KENTUCKIANS

Tid Bits Of Kentucky Folklore

By Dr. Gordon Wynn
"HUMANTARIANISM"
When some dear old lady writes me a letter telling me that she has read my book on the history of the state, I am always glad to hear from her. It is always a pleasure to hear from my readers.

The Garden

John S. Gardner, University of Kentucky
When there is a house full of vegetables, it is a good sign. It means that the garden is doing well. The garden is a source of food and health.
