WALKER R. FISHER, JR. Editor-Publisher

Subscription Rates for Year \$2.50 per year, \$1.50 for six months

Volunteers Are Needed

"The Threat"—is the threat of World War II. We must assume that the United States will attack first and then the Axis will follow. We are not to be surprised if we are surprised. We must be prepared to meet the surprise. We must be prepared to meet the surprise. We must be prepared to meet the surprise.

A Dubious Honor

Kentucky was one of 21 states with an increase in the number of new active cases of tuberculosis in 1933, according to an article in the annual report of the National Tuberculosis Association.

260 Teachers Leave UK In 13-Year Span

In the 13 years since the formation of the University of Kentucky, 260 teachers—among them 100 who were members of the faculty—have left the institution.

Cap Fulton's Dog "Dies" Dies Sunday Night

Cap Fulton's dog "Dies" died Sunday night, after a long illness. The dog was a favorite pet of the owner and his family.
