The Governorship is Kentucky's most important office. The Governor's program will influence your life for years to come. I pledge myself to put Kentucky's interest first. Bers leombe

Managing the affairs of the great Commonwealth of Kentucky is big business.

It is a full-time job that requires proved executive ability plus high integrity and the utmost sincerity. It is a job that requires a man of constant nature and unquestioned loyalty to the State and to its people.

Bert Combs is the man for the job. His program is not Bert Combs is the man for the Job. His program is not tailored for any section of the Commonwealth. It is the same in Ashland as it is in Padeirah. It will be the same at the end of the campaign as it was when he opened his campaign in Shelbyville on June 2.

Eart Camb is a mon that every Kentveklon con nonderse with pride. A farm boy, he worked his way through school. — a patriot, he worked his way through school. — a patriot, he would not all the up from private to Chief of the Investigating Section of the War Crimes Department on the staff of General Douglas MacArthur in the Philippines. . . a lawyer, he worked his way up to Judge of the highest court in Kentucky.

Bert Combs knows that unemployment is a problem ... that prosperity must be worked for continually. He is from Eastern Kentschy where unemployment is now on everyone's mind. His forward looking program is planned to meet the challenge and overcome the causes of unembody must be under the challenge and overcome the causes of unembody must be under the challenge and overcome the causes of unembody must be under the challenge and overcome the causes of unembody must be under the challenge and the proven that qualified to handle such a program. handle such a program.

BERT Combs is not running on the success of any past administration; nor does he find it necessary to distort his own past record. Bert Combs has conducted himself in such a way that his record is a stirring open book. His future plans are his own. His policies and beliefs are genuine; not hand-med-down platitudes. His courageous platform is "PMT Kentuck/ First". . . and he will!
