PRIMER FOR AMERICANS

You live in the United States of America. You are an American.

Read Americans here in this country. They are proud of it. They are proud of it. They are proud of it.

Throughout our history most Americans have believed that every person has certain rights and duties and responsibilities.

These things that people believe are called principles. These things that people believe are called principles.

The Principles of American Life are these:

1. Each Person is of Importance and Value as an Individual.
2. We Believe that All Men are Created Equal.
3. We Believe that All Men are Created Equal.

4-H Girl Makes Better Raincoat

A winning Black and white raincoat made by a 4-H girl, Miss Mary Ann L. McGuffey, was shown at the annual 4-H Club Week held at the University of Kentucky last week.

The raincoat was made from a pattern designed by Miss McGuffey and was made from a material which is both waterproof and tear-resistant.

The Garden

WINTER POTATOES
 By John S. Gardner, University of Kentucky

The first requirement for a late crop of potatoes is good deep land. The soil should be rich in humus and well drained.

What to do about SURPRISE GUESTS...

Most of us have had an occasion when we were surprised by guests. It is a very embarrassing situation, especially if you are not prepared for it.

The only way we can have more to Produce More and As we Produce More, we must make it possible for More and More People to Enjoy that which we Produce.

SURPRISE 'EM BACK with a meal or snack from your ELECTRIC FREEZER

Your electric freezer can be used for a great many purposes. It can be used to store food for a long time, and it can be used to keep food fresh.
