The new kind of hardtop—The 4-Door Buick!

There seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight... You see one picture here. It's the 4-Door Riviera. And it looks like the country by storm...

Thrill of the year is Buick
You see one picture here. It's the 4-Door Riviera. And it looks like the country by storm... Because Buick is first here, it is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear and front passengers. Also the added room of a full-size Buick Sedan.
