# WARNING

State Law requires this office to collect all State Law requires this office to collect all taxes for the year 1954, and upon the fullure of people to pay said taxes we must seize and sell any personal property (Automobiles) to satisfy the unpaid tax bills.

This office has quite a few unpaid tax bills for 1954, which must be paid in the next two weeks. If they are not paid we shall be forced to take your car or other personal property not exempt by law and sell it to collect these back taxes.
