CHRISTIAN SCIENCE
The fact that man's real nature in God's likeness is unfallen, upright, and free will be brought out at Christian Science services this Sunday.
Readings from the King James Version of the Bible and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "Adam and Fallen Man."
Among the passages to be read from Science and Health is the following: "The divine Father was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thought-models would allow, as thoughts which presented man as fallen, sick, sinning, and dying" (259:6-11. Tbt).
The Golden Text is from I Corinthians 15:22: "As in Adam all die, even so in Christ shall all be made alive."

'Happy Club' Formed In State

Friends of A. B. "Happy" Chandler have formed the "Happy Club" to boost his candidacy and help raise funds for his campaign, Mr. L. B. Barton, chairman of Chandler's campaign in Nicholas County announced today. Plans for formation of the club were announced at a standing-room-only meeting in Louisville Saturday.
The club is being organized throughout the State on the county or local level, Mr. Barton said, with county chairman and their co-workers selecting and issuing memberships.
Chandler, commenting on formation of the club, said, "Ever since I announced myself a candidate for the Democratic nomination for governor, I have been impressed by the number of fine citizens who have voluntarily and unselfishly offered to help me.
Each member of the Happy Club will be issued an identifying button and numbered membership card. Enrollment fee will be at least $5," and the member's dues will be to "elect me governor and be sure and to support actively Happy's candidacy by assisting the Chandler campaign leaders."
Besides giving official status to his enthusiastic backers Chandler said, the club "will, I hope, Pattie solve our futurefinancial problems."
We do not have the ready-made source of campaign funds which opposition possesses. With the Happy Club we have set up a democratic method of raising them.
"We are running a poor man's campaign, and that is a whole disadvantage in this modern era in which extensive use of radio and television is so important, but so expensive," Chandler said.
