Civil Service And Post Office Department

Last Saturday thirteen citizens of Nicholas County and Carlisle took the examination in Lexington for post office carrier. In the past the question was in the minds of thoughtful taxpayers as to what part of the results of the examination will have in filling the vacancy.

It is not yet known as to whether any of the thirteen who took the examination. We would like to assume that if it was on the level, that no one was excluded, that work and merit will be the basis for the post office carrier. It will be dropped out and kicked back to the Postmaster examination board in an arbitrary, do nothing about it.

In the Civil Service Commission examination in Lexington, a general for politicians to maintain in the Postmaster examination board to automatically delay or take no action on the examination. Any one who is qualified and would render excellent service in addition to an convenience with a record of foreign service.

We do not want to encourage any of the thirteen who took the examination. We would like to assume that if it was on the level, that no one was excluded, that work and merit will be the basis for the post office carrier. It will be dropped out and kicked back to the Postmaster examination board in an arbitrary, do nothing about it.

It is generally reported that a position has recently been vacated in the Post Office Department. It is the position of a post office carrier. It is a position that is not a political position. It is a position that is not a political position. It is a position that is not a political position.
