The City's Board of Tax Equalization has met and carefully checked all assessments for 1955. In most cases they have found that valuations, as given to the County Tax Com-missioner, are fair and from those figures we will compute taxes, as for example:

True resale value of property 12,000.00 33-1% set as assessed value 4,000.00 \$1.00 levy on each \$100 (1954 Tax) 40.00
