Just touch the pedal

and away you go!

(That's the New Variable Pitch Dynaflow"!)

Now you get a solid take-hold for instant take-off in the first inch of potal action—where most of your normal driving is handled. And you get

this great new getaway with a big boost in gas

So there you are, just nudging the pedal, and getting action that makes you feel like you've floored it.

floored it.

There you are, handling all your normal driving situations with a confident toe-touch—with new surety and snap—and with the happy satisfaction that connew with a sizable step-up in the miles you get from a tankful of gas.

For here you have, heating any past Buick, the
