still means "thanks"

Our Pilgrim Forefathers Conceived Thanksgiving As A day to stop and take stock of all the good things in life. They had, as we do today, a constant threat of enemy danger, but they found time each year, to thank God And thank each other.

We, at the Carlisle Mercury are thankful for the great state and nation in which we live.

We are thankful, too, for the opportunity we have to serve the people of this fine town and county with a quality newspaper.
