The Nays Have It

The NAYS MAVE A

A short time ago the American Peres, a magtime for hometown newspapers, queried a large
number of editors and the state of the contime of the control hospital and medical care
numance. More than 80 per cent of the editors
were opposed to it.
Still more recently, a research organization
made an objective study of the general public's
made an objective study of the general public's
