## Red Cross Call

Red Cross, at the request of the Department of the Army, is providing its services along with other agencies and the Nicholas County chapter has been assigned its quota in helping to care for the homeless Hungarian refugees.

Red Cross chapters all over the world are helping in this great hour of need and Nicholas County has never fallen down in an emergency. As we approach this Christmas season let us ready our Members Will by re-embarking the many homeless people landing on our shores, among them many little children without parents.

If you wish to contribute please donations with Mrs. Whitaker at the Kentucky Y. N. Y. office or Red Cross office—Contributed

The words that I speak, and they are mine, I have said.

When I have said them I have said them in the language of the country, the language of my mother at the time I said them.
