Kentucky's state tree is little known

the heart-wood is pale yellow, white-wood, because the sapwood is white, and, as a rule, because the leaves have saddle-shaped terminal ends.

Next to the spruce, the tulip poplar is a member of the most little known and unappreciated of the many varieties showing within the Commonwealth.

Although it is most widely used here in tulip poplar, in some areas it is called tulip-tree, because of its tulip-like flowers.

The tree is generally chosen for canoes, yellow poplar, because of its light weight.

REFINISHED TOYS—This table full of toys was gathered by Cub Scouts from 3 Park 50 under the supervision of Charles Wilson, Cub Master, for redistribution to the needy children of Carlisle and Nicholas Counties.

Fish and game released by RRA

A report on the number of fish and game released in this year was issued this week by the Kentucky Reclamation Association and the Division of Game and Inland Fisheries.

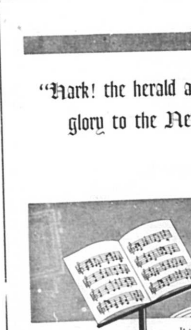

Birds released include 500 quail and 200 chukars for a total of 700. Not included are 500 chukars released by the RRA at...

FAITH'S REWARD BY FRANK FANTHER

THE Daily Ring were that their Christmas tree was sparkling but dimly lit. It looked so lonely and sad. It took a moment to look at the dimly lit tree of a poor old man.

He was a poor old man, but he was a good man. He had a heart as big as the world.

As we observe this holy day we send our sincere best wishes to everyone.

THE GIFT OF LOVE AT CHRISTMAS

The Child of Bethlehem comes to us again this Christmas and we rejoice in the knowledge that He has brought us the gift of love for our fellowman.

The Lord reigneth let the earth rejoice.
