CHRISTIAN SCIENCE

The purifying power of true prayer will be set forth in the Lesson-Sermon entitled "Sacrament" at Christian Science services this Sunday.

Bible passages will include the counsel of Christ Jesus regarding prayer (Mark 6:6): "But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly."

Continuing the explanation of prayer, a correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (15:9): "To enter into the heart of prayer, the door of the erring senses must be closed. Lips must be mute and materialism silent, that man may have audience with Spirit, the divine Principle, Love, which destroys all error."

The Golden Text is from Psalms (51:10): "Create in me a clean heart, O God, and renew a right spirit within me."

Y. The purpose "To remind the nation of the necessity of humor." Canned Hamburger Month (May 1-31).

October is the busiest month of all with National Sanitarium Fire Prevention, Employ the physically Handicapped, Latter Writing, Pharmacy and Save the Horse Week, all (October 7-13).

Wine Week (October 13-20); Raton Bread for Health Week (October 21-27).

Kraut, Pork, and Apple Season (October 15 through November); Better Safety Time (November 1-30); Iced Tea Time (July 6-20); Eggnog Time (December 1-31); Dessert Festival (October 26-December 25).
