## Acree reserve Three injured as motorcycle, car collide

(Continued from page 1)

day he emphasized that to have growers should adjust their tobacco for the Acree Reserve program. He said he had called for the Acree Reserve program to be added to the State Board of Tobacco in the early part of the summer in which the crop and acreage should be reduced to a level which is consistent with the program. He said that the program should be added to the program in which the crop and acreage should be reduced to a level which is consistent with the program.

## Mercury to add new feature

For the readers of the Carlsbad Mercury a new feature is being added to the paper. It will be a weekly reading of the weather conditions in the area. This feature will be added to the paper in the near future. It will be a weekly reading of the weather conditions in the area. This feature will be added to the paper in the near future.

## Prizes worth \$600 await farmers in forestry contest

Prizes worth \$600 are being offered in the Carlsbad County Forestry Contest. The contest is open to all farmers in the county. Prizes will be awarded for the best specimen trees and the best specimen woods. The contest is open to all farmers in the county. Prizes will be awarded for the best specimen trees and the best specimen woods.

## Participation in Acree Reserve program does not affect tobacco acreage

Participation in the Acree Reserve program does not affect the amount of tobacco acreage that a farmer can plant. It only affects the amount of tobacco that the farmer can sell. This is because the program is designed to increase the price of tobacco by reducing the total amount of tobacco produced. This is because the program is designed to increase the price of tobacco by reducing the total amount of tobacco produced.

## Nichols stock report

The local stock report for Tuesday, July 10, is as follows: Common stock 45.00; Preferred stock 45.00; Bonds 100.00; Stocks 100.00. The market was steady. Common stock 45.00; Preferred stock 45.00; Bonds 100.00; Stocks 100.00.

## Questions and answers on soil bank program

There are only a few days left before the soil bank program begins. Farmers who are interested in the program should contact the Soil Bank Administrator. The program is designed to help farmers conserve their soil. It is designed to help farmers conserve their soil.

## Gladious meet at Bardstown

The annual meeting of the Gladious Club was held at Bardstown, Ky., on Friday, July 10. The meeting was attended by members from all over the county. The meeting was a success. The annual meeting of the Gladious Club was held at Bardstown, Ky., on Friday, July 10.

## Keeping bread fresh important in summer

Keeping bread fresh is important in the summer months. This is because bread tends to become stale more quickly in the heat. To keep bread fresh, it should be stored in a cool, dry place. This is because bread tends to become stale more quickly in the heat.
