There's so much excitement at the wheel of a '56 Buick, we had to do something to accommodate all the folks who want to get in on it.

So we set up a little Club to handle matters—and it's fun and free.

As you do to join is drive a new Buick—that makes you a member. All you do to drive is drive this beauty to a friend.

From that point on it's pure fun all the way.

Because then you'll feel the close knit of credit-tied travel in the best Buick yet built—and of a wonderful handling ease in the car with the trust of steering ease.

Because then you'll tangle with the Buick's fast power V8 engine—where horsepower and compression ratio help you peak, and road command hits a soaring new level.

Because then—and only then—will you feel the absolute smoothness and the electrifying action of today's new Variable Pitch Dynaflo™—where the first touch of pedal travel does more wonders for getting and cruising and gas mileage—and where flexing the pedal warbles the pitch for the most spectacular safety-range in America today.

So if you want fun and fast action—if you find a new Buick—the only Buick to get is the new Buick performance packed automobile in all Buick history—come join our Thrill-A-Minute Club.

As we said, there's nothing due to us for membership except drive a new Buick. And, as we gladly show you, there's nothing to match this beauty as a bedrock Buick—just the way it's built.

Drop in on us today or tomorrow—press that pedal—and let the Buick fall where they will.

**New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick today. It is available only on the Buick Wildcat.†Emergency control of motor rate out on the Buick Book yet.*

East Union Homemakers

The East Union Homemakers club met at the church on Friday, March 2, with the president, Mrs. Kenneth Stephenson, opening the meeting by reading the Homemakers Creed. The devotion was given by Mrs. Harvey Brantley, as her theme, the origin of the world's day of prayer, and the way it is observed in different parts of the world.

Baby chicks and gardening are the minds of the members at the time and instructive points, which were brought to the club.

THE MAN WHO'S THOUGHT OF EVERYTHING

His position reflects the degree to which this man has planned his life.

The comfort and happiness of his family reflect how well he has planned for them.

Good husband, devoted father, he's a man who's thought even on the final detail—his burial insurance policy.

As surely considered as all his business, the burial policy he bought is now payment on a plan that has a true value of more than twice what he paid for it—his burial insurance.

By the thoughtful members of the Kentucky Funeral Directors Burial Association.

As a man whose family will have great need for his untold wealth, his family will find he has already provided it.
