Vote for a RECORD! ...NOT Promises
It's easy to make promises... many of which never develop. To make a record, however, that stands in the open to be seen and approved, is another thing. Take a careful look at the record established by John C. Watts while he has served you as U. S. Representative. Watts is a worker—reliable on the record... a record that is KNOWN... a record that tries his utmost interest in the welfare of the people he represents!
There's no substitute for the experience and sincerity of John C. Watts. Here's the man who can get things done in Washington for the welfare of you in the Sixth District.
Reelect JOHN C. WATTS

1,000 Gals. Of Water For 3c
A Southern States Water System will pump 1000 gallons of water for 3¢ worth of electricity.
As an added attraction we are offering free installation on any system purchased in the Month of May.
Come to the Harrison County R.E.A. Sponsored Farm Water System Meeting On May 10th at Nicholas County High School at 7:30 P.M. C.S.T. and see our display of Electric Water Systems and Electric Water Heaters.
Also help in determining the exact system to fit your requirements can be secured at this meeting.
