To All Loyal Democrats Of Nicholas Co.

The splendid record of public service and achievement created by Senator Earle C. Clements during the past ten years, both as Governor and as United States Senator indicates clearly that his return to the United States Senate is a matter of deep concern to all the Chizers of Kemiucky

The farmer, the laborer, indeed every citizen of Kentucky in every walk of life, have been beneficiaries of his efforts in

To insure another six years of the same high quality and quantity of representation in Washington. I hereby appoint every layof Democrat residing in Nicholas County as a "Committee of Ore" to work vigorously and untiringly for the achievement of this purpose.

You were not crasulted about the change of the Primary date from the first Saturday in August to the last Tuesday in August to the last Tuesday in May of each year, this year falling on May 25. If this change in dates is on unwelcome one to you, you have an excellent opportunity to register your disopproal overwhelmingly by going to the polis and voting for Earle C. Clements on this new and strange date.

Sincerely yours, Wm. A. Young
