Carles Bromagen
The Senior Class had its first meeting, Wednesday, October 10, in the senior home room, to elect class officers. They are: President, J. T. Hammond; Vice-President, Donnie Moore; Secretary, Gertrude M. Y. e. a.; Treasurer, Donna Livermore; Reporter, Lydia Davis; Song Leader, Peggy Hubbard; and Sgt.-at-Arms, Imogene Stivers. There's always something for us to do. We've been looking for an idea, trying to decide how to spend our time for the purpose of the year.

77th ANNIVERSARY SALE
NEW 1957 GENERAL ELECTRIC FILTER-FLO WASHER
Two wash speeds, two spin speeds for "just right" washing of all types of fabrics

NO LINT FUZZ ON CLOTHES
Work water is circulated and filtered to give you cleaner clothes. Lint is caught in the filter—no lint on your clothes. Lint and soap suds are automatically removed.

TWO WASH SPEEDS, TWO SPIN SPEEDS
Your choice of Normal or Slow wash action, two spin speeds, gives you the washing action you desire for all types of washable fabrics. You should get your selection.

WATER SAVER FOR SMALL LOADS
Save over 25 gallons of water when washing a small load. All you do is push the Water Saver button and the desired water level is reached. Also, your choice of warm or cold water.

BIG CAPACITY
Washes 15 pounds of regular family wash and up to 20 pounds of heavy fabrics. The large tub capacity handles the heavy extra automatics.

MATCHING DRYER WITH AUTOMATIC CONTROL
Control automatically adjusts drying time and temperature to the material you use. No guess work. No hot drying of clothes. No over-drying. Operates on 115-220 volts.

New G-E Filter-Flo Washer Cleans and Reclains the Wash Water to Give You Cleaner Clothes
Removes lint, suds and soap suds. And, with the new convenience of automatic control, you can wash and dry your clothes in one cycle. When you start the washer and let the washer do the work—whether you wash a regular family load or a heavy load of extra automatics. The machine's automatic control, controlled by a thermostat, has one simple dial that lets you choose washing times from 1 to 20 minutes and several short-time and spin times. The spinner's automatic, so easy to use, let you choose washing speeds, water temperatures and the amount of wash water. Truly a remarkable washer—you should see it today!
