# Let's Do A Little Figuring

We have had quite a few customers say they were not getting many eggs and couldn't afford to buy the "high priced egg mash." The fact is, they can't afford not to buy a good, money-making feed like the new improved

# **TUXEDO EGG MASH**

A good egg mash may be considered high priced feed, but the figures show that it is a

# We submit possible figures:

We submit possible figures:

One has will set about 50 list of mach per year—ady of a cast of \$2.50—a listle less at the present line. If she will ley 700 oggs a year of an average of 40 cents per dazen she has producted 16.4 Gazen aggs—worth &6.67 a print of \$4.11 per han per year.

If a consideration of the production of the product
