Muskies bounce back in fourth to beat Nicholasville 55-53

by Sterling (Butch) Saunders

After losing an eight-point lead in the fourth quarter Carlisle bounced back in the closing minutes to beat Nicholasville 55-53 in Thursday night's game. When everything suddenly went wrong for the Muskies and Nicholasville turned the breaks into a lead, things didn't look good for the home team but Carlisle weathered the storm and brought the crowd to its feet in the last two minutes as they pulled the "fat out of the fire."

Once again Carlisle played under a disadvantage as Nicholasville had the edge when it came to height. But the opening tip went to the Musketeers and the game was underway—Carlisle managed to obtain an early lead which they held until the fourth stanza. At the end of the first quarter they were ahead by seven points, down to four by the half.

Nicholasville cleaned the boards more than Carlisle did, but Carlisle offset this by stealing the ball and zooming on a lose ball. The third quarter was pretty much like the first with Carlisle again increasing their lead to eight going into the final frame. Then everything seemed to go wrong—the ball wouldn't co-operate—no Muskie player could seem to hold on to it, much less hit the basket. This was the break that Nicholasville was waiting on and they took full advantage and began developing a lead of their own.

Carlisle called time-out and this did the trick, for the Muskies quickly settled-down and came roaring back with McGuffy tossing from the free throw line to knot the score 51-51 Then Charles Vice, who had recently entered the game hit from under the basket to put the home team ahead by two points.

Nicholasville tried desperately to tie the game, becoming careless and Perdue Wilson after Carlisle stole the ball Wilson dashed in on the free throws to ice the game.

The prettiest and one of the longest if not the longest shot I have ever seen was yet to come. In the last seconds Nicholasville's Asheraft gained possession of the ball. He was standing at approximately the head of Carlisle's free throw lane when he fired a long shot which traveled about three-fourths the length of the court to rip the net making the final score 55-53, Carlisle.

Asbury McGuffy was high point man for Carlisle as he contributed 15. Wilson ran a close second with 13. The rest of the Muskies scoring was Straw, 11; Hawkins, 6; "Chuck" Vice, 5; Kennedi, 3; Charles Vice, 2 and Smart, 0.

Royse was big man for Nicholasville as he racked up 15. Knight made 12 to come in second. Scoring was Veal, 10; Reid, 9; Belcher, 3; Harper, 2 Ashcraft, 2.

Scoring at quarters: 1st—14-7, Carlisle, 2 nd 27-23, Carlisle; 3rd 45-37, Carlisle and 4th 55-53, Carlisle.

As the final half of the season draws to a close Carlisle has a 2-6 win-lose record. The Muskies have improved a lot and it is possible that they will come back and finish off the remainder of season quite strongly.

City school gets secondary school approval

Morris Clerley, State Chairman of the Southern Association of Colleges and Secondary Schools this week notified Miss Nancy Talbert, principal of the Carlisle high school that the school had been approved. Miss Talbert stated that this was the 31st year the Carlisle school had met the standards set by the association.

Library closed indefinitely

The Rev. W. R. Raborn, chairman of the Nicholas County Memorial Library board has announced that the library will be closed for an indefinite period while arrangements are made to move to the ground floor of the courthouse.

The library, established September 1947, has been located on the second floor, but will now occupy only half of the space that was formerly the ladies lounge.

BANKERS TO SEEK FEWER HOLIDAYS

The Kentucky Bankers Association will seek legislation to allow banks to remain open on certain minor legal holidays, Spears Turley, president of the association, told the Central Kentucky Conference of the National Association of Bank Auditors and Controllers Thursday.

Turley spoke at a dinner meeting at the Lafayette Hotel.

A panel discussion on the operation of checking and savings accounts was moderated by James H. Robinson Jr.

Direct distance dialing on way

A new type long distance telephone service is coming to Kentucky, according to Harry M. Mitchell, District Manager of the Southern Bell Telephone Company.

Beginning in November, when Winchester is converted to dial, one party and two party telephone customers there will be able to dial long distance station-to-station calls direct to many selected cities. This new

RECOGNIZED FOR 28 YEARS SERVICE—Phoene Ross, field agent in 4-H Club Work, University of Kentucky, presents Mrs. Nelle Brayfield with a special plaque.

4-H council honors leader

Mrs. Nelle Brayfield, teacher and 4-H Leader of Nicholas County, is the recipient of a special plaque and a gold pin given by the Nicholas County 4-H Council. The awards were given in recognition of 28 years as a 4-H leader and were awarded at the County 4-H Achievement Program here this week.

After receiving the award Mrs. Brayfield gave her evaluation of 4-H Club work when she said, "It is a great satisfaction to me to start with a timid, quiet little girl and to see her develop into a wide-awake useful citizen."

No accurate record has been kept of the extent of Mrs. Brayfield's influence among the youth of Nicholas County. She has been a leader of the Carlisle Busy Bee 4-H Club for the past 13 years and previously she was a leader and teacher at the East Union School. It is estimated that she has worked individually with at least 350 4-H members. Individuals have been given help in conducting many home and agricultural projects. Individuals in the Club and the Club itself have, on occasion, has received county district, state and national recognition.
