Mr. W. F. Clark

**ABSOLUTE AUCTION**

**Wed. and Thur., Jan. 30 and Jan. 31**

To settle the Estate of the Late W. F. Clark, deceased. The undersigned auctioneer has been employed by the heirs at law of Mr. W. F. Clark, deceased to sell the real property described hereafter. Because there are numerous tracts of land involved, they will be sold in the order in which they are hereafter listed, with each sale being held at the site of each property:

- TRACTS TO BE SOLD ON WEDNESDAY, JANUARY 30, 1957**
1. 10 o'clock A.M. On Premises A 138 1/2 Acre Farm located on U. S. Highway 68, at its intersection with the Carpenter Pike, with all the improvements thereon. This is a very desirable blue grass farm which is located a very lovely home and is a very desirable piece of property. This farm is readily accessible to markets both in Corliss and in Millersburg, it being approximately one mile north of Millersburg. This farm is jointly owned by the Estate of W. F. Clark, deceased and his son, Emory Clark.
  2. 1 o'clock P.M.—On Premises—A house and lot located approximately 440 yds. west of the City limits of Corliss, Kentucky and immediately east of the Cox Oil Service Distribution Station on State Highway 36, now occupied by Floris Flora. This house and lot is ideally situated and will make a nice home near to the City of Corliss.

Candidates of Chamber banquet

WELL BLESS MY CLAVICLE—Maybe he can vote, Joe

In order for Nicholas County to be an accredited county, the rate must be listed every three years or tuberculosis and must be found free of the disease, according to a recent letter received from W. T. Staw, county auditor from the Kentucky Department of Agriculture at Frankfort.

The listing will be done first by the veterinarian cooperating with the Kentucky Department of Agriculture. The list should include the cattle of all ages including calves. Testing for Bang's disease must be done at the same time as the listing. The list will be returned to the auditor by the veterinarian.

**Acres reserve sign-up begins**

Joe C. Gray, chairman of the Kentucky State ASC Committee announced today that Jan. 20 will be the beginning of the sign-up period for the 1957-58 Acres Reserve Program. Mr. Gray stated that the program is designed to help normal farm yield for tobacco and the farm productivity index for corn and cotton. It may be used for the maximum acreage of 10 acres for tobacco and 10 acres for corn and cotton. The allotment and for all types of tobacco, corn and cotton. The allotment whether it is large or small.

Mr. Gray pointed out that the producer may indicate his desire to place more than his maximum acreage limitation in the Acres Reserve Program by signing up for additional acreage to be approved for the final sign-up date of Jan. 26, 1957. The program is designed to help normal farm yield for tobacco and the farm productivity index for corn and cotton. It may be used for the maximum acreage of 10 acres for tobacco and 10 acres for corn and cotton. The allotment and for all types of tobacco, corn and cotton. The allotment whether it is large or small.
