Nicholas County high school is very fortunate in getting Andrew F. Chaky, band director, to replace Joe Frank Ireland, who was inducted into the Armed Services.

Mr. Chaky, a young man, is married and the proud father of five children ranging in age from eight years to 7 months old twins. He graduated from Miami University of Oxford, Ohio, in 1947 and did his graduate study at the University of Kentucky. He has taught at Midway Junior College, Midway, Kentucky for four years. He was Music Director at Veterans Hospital, Lexington, Kentucky for five years. He also was part-time band director at Paris and Bourbon county high school for one year. His present work includes: Part-time Clarinet Instructor at Transylvania College, Woodwind Instructor for Templeman Studios, Organist for Hunter Presbyterian church, Lexington, Kentucky and he is a Saxophonist in the Dave Parry Band at Lexington, Kentucky.

The Nicholas County Bluejackets defeated a scrappy Deming team 86-64 before a large Deming crowd at the Deming gym. Jennings again led all scorers with 25 points followed by Hillock with 23. Wells had 21 for Deming. Deming jumped into a 11-10 lead but the Bluejackets got hot and really began to pour it on. At half time they led by 41-22. In the second half the game was not interesting as the Bluejackets racked up their final 86-64 count.

The Bluejackets defeated a small, but good, Bracken team 80-73 Wednesday night before the smallest crowd of the season at home. Big Ned Jennings again led his team to victory with a 40 point outburst. Lucas led Bracken with 17. The game was a dull affair all the way as the referee's could not decide the right decision on a double foul. Leo Lynam was awarded two free throws and he made both of them. Lucas was awarded only one shot and missed it. This brought boos from the Bracken crowd. The Bluejackets looked sluggish and a bit tired as they were playing their second game in as many nights. On Tuesday night we play Estill county at Estill and next Friday we play MMI at the Cadets floor. On the following Tuesday we play Fleming at Fleming county.

Our next home game will be with the 5th ranked Maysville Bulldogs whom the Bluejackets lost to by only 5 points earlier in the season at Maysville.

For 16 games our opponents have averaged 65 points a game while the Bluejackets have averaged 69 a game. We have won 12—lost 4.

The School paper, "The Pride Of Nicholas" came out this week. Be sure and buy a copy as the staff has really worked hard to try to put out a paper for the whole student body to enjoy. The demand was so great last month that an additional 75 copies were published this month.

The Beta Club will sponsor a Talent Contest to be put on in the gym Jan. 29, at 2:00 p.m. Prizes will be $5 first; $3 second; $2 third. To enter see Eva Lee Lynam, Imogene Stivers, Larry Crawford or Elizabeth Tapp. Admission will be five cents. The Beta Club is planning to have an interesting program.

The Nicholas' County Bluejackets picked up their 13th win against 4 defeats as they defeated the Sharpsburg Eagles 64-44 at the Sharpsburg court.

Ned Jennings again led his teammates with 29 points followed by Scott with 15.

Lt. Estes of the Kentucky State Police Patrol put on a very interesting magic show for the student body last Wednesday. All the students enjoyed his show.

This is semester test—week so all the students will be "cramming" hard to make a good grade on the big test.
