Another February Birthday

During February, America observes the birthday of several of its illustrious statesmen, patriots and leaders. Washington, Lincoln, and Thomas Edison. America's birthday celebration of national heroes in which all Americans can properly join that of the Boy Scouts of America.

Scouting in the United States reaches its 40th anniversary during Boy Scout Week, February 6 to 12. It is difficult to recall when our nation did not have this character-building, leisure time program for its boys and young men.

Since February 8, 1910, more than 26,000,000 American boys and men have been inducted by the Scout Oath and Law. They have had the benefits of Scouting training, leadership, handicraft skills, and high adventures.

America is the richer for it. Many men in high places in American affairs today proudly credit Scouting's influence in their lives.

Today over 4,500,000 boys and men are actively enrolled in 540 local councils with a membership of 111,000 units. Fortunately, no American died as a result of Scouting. Fourteen Americans adults of good character give generously of their time in giving leadership to the boys, as well as serving as members of local Boy Scout councils which in turn provide training for leaders, camp activities, week-end camp activities, promotion advancement opportunities, and leadership training for their youth.

It is a noble and worthy cause, a permanent benefit to our country.

A LITTLE YAPPIN'

By Nantz Camp
Cutting the Red
Only a few years back cutting the red was a very popular saying. An old saying that I thought it must be the old L. & N. old saying making an uncolored trip up Morgan street when I see everybody running. I ran down the front door and around the corner of the house.

A Real Friend

I think that God will never send a gift so precious as a friend. A friend who always understands and fills each with as it demands. Whose loyalty will stand the test when stakes are bright or overcast.

Letters to the Editor

"BE PREPARED"

MOTTO OF THE BOY SCOUTS OF AMERICA

Be Prepared... motto of the Boy Scouts... your sons and mine. Next week, as the Boy Scouts of America celebrate their 47th Anniversary, and receive honors due them... we all will take renewed hope in the symbol of effort they represent. Not all of the Scouts receive outstanding decorations... many earn only a few

merit badges... but we can be sure that each and every one of them tries to the best of his ability... to make himself proud in the eyes of God and his community. Perhaps, we as citizens of the finest country in the world, should take a little more time, exert a little more effort, that we, too, may be Prepared.
