Jackets defeat M.M.I., Fleming County Muskies lose to Orangeburg, M.M.I.

By Bill Woodall

A greatly improved Carlisle Musketeer basketball quintet gave the Cadets of Millersburg Military Institute a scare here Tuesday night before the visitors were able to pull a 50-47 victory out of the fire.

In the Central Kentucky Conference title the Cadets jumped to a 16-9 lead before the Musketeers of Coach Ed Wells moved into a 27-23 half-time spread. The Muskies were able to maintain the lead until near the end of the third period when Kann of the Cadets tied the count at 39-39 with a minute and thirty seconds to play before the rest in the stop the local team led 50-45 and managed to weather the last-long end of the score until Kann again moved the Cadets ahead 44-43 with five minutes remaining. From this point the Musketeers were not able to pace the Cadet score.

M M I grabbed the initial advantage over the Musketeers at the starting whistle as they hit five field goals and six fouls during the first period while the Musketeers hit two from the field and five from the foul circle.

In the second period Carlisle out-scored the Cadets six to two from the floor and six to three from the foul line.

Each team collected three counters from the field during the third period and six points each from free throw attempts.

The Cadets out-paced the Musketeers in the last period connecting for six from the field and three from fouls while the Muskies picked up three field goals and two foul shots.

The Musketeers went to the foul line 27 times, hitting 19 for a 65 per cent shooting average while the Cadets took 28 trips to the gratis line, connecting with 18 for a 64 per cent age.

The starting lineup: Henry 10 Vice 15, G. Wilson nine, McGuffy six, Straw eight, and S. Wilson one. M.M.I., Kann 12, Gielden eight, Aulick eight, Jenkins 13, Fairchild seven and Gardner two.

During the past week of hardwood activity Carlisle dropped two games to Orangeburg and M.M.I. while Nicholas County defeated M.M.I. Friday night and trimmed Fleming County on Tuesday night.

The game of the coming week will be the Nicholas County-Maysville contest Friday night at the county gymnasium. The Bulldogs barely eased by the Jackets earlier in the season Tuesday night Nicholas County will face the Colonels of Bourbon county.

Carlisle will rest Friday night but go back into action the following Tuesday as they travel east to a speedy little team from Sharpsburg.

olas County, she worked to organize each school district into a league to improve and advance educational opportunities for the children of the community.

"It was in 1917 that Miss Gardner attended a convention of the National Congress. While there she told the story of the work being done in Kentucky so convincingly that a committee was appointed to visit the Kentucky Department of Education to try to secure Miss Gardner's services for the National Congress Miss Gardner accepted the offer but remained in Kentucky until parent-teacher associations were organized in almost every county in the state."

In April 1918, Kentucky joined the National Congress with 600 members and in 1919 the date of the first Kentucky Congress convention, there were 16,424 members. Today, the Kentucky Congress has a total membership of 167,242 and is part of a National Congress of over 10 million persons. The Carlisle Parent-Teacher Association was organized in 1919 with Mrs. Henry Potts as its first president and is the oldest Parent-Teacher Association in continuous existence in the state of Kentucky.

Dorsey avenue chapel closes

Services at the Baptist Chapel on Dorsey avenue were terminated last Sunday. The closing of the chapel was planned to coincide with the opening of the new Baptist educational building which will afford adequate space. Although it now appears that it will be at least three weeks before all of the new building will be available for use, classes are now meeting in part of the second floor.

Rev. Gerald McNeely, pastor of the Carlisle Baptist church, stated: "The Baptist church believes that the maintaining of the chapel has been very worth while. More people have become aware of the genuine concern of the Baptist church, souls have been saved, and other blessings have been realized."

Bill Mann, assistant manager of Southern States, has faithfully served as superintendent of the chapel during the two years and one month of its duration. Other teachers who served through this period include Dr. and Mrs. G. T. Cowan, Gilbert Duncan, Bill Snapp, Stewart Burke, Miss Ermeline Eads, Mrs. Bill Mann, Mrs. Eugene Neal, Miss Geraldine Moore, Mrs. Willard Sandidge.
