Discipline needed

Peppers invariably make a mess of home—until they are sternly disciplined and taught to be clean and decent members of the family. One wishes that a similar discipline could be imposed on the "literbug," who "strews discarded paper, crumpled envelopes and all manner of other rubbish and dirt along the highways, in recreation areas, and in beauty spots throughout the nation."

Just one headstone

Why is it so difficult to cut the federal budget? Why do we have so many agencies? Why do we have so many departments? Why do we have so many commissions? Why do we have so many boards? Why do we have so many commissions? Why do we have so many boards? Why do we have so many commissions? Why do we have so many boards?
