It may be a grumason's thought to school children, but the number has already started to fall. Since June 21, which is supposed to be the longest day of the year, the days have been getting shorter and the nights have been getting longer. Who was it who said, "If water comes, can spring be far behind?"—K.T.P.

Swimming Party And Picnic
On Saturday afternoon and evening the Presbyterian Youth League will enjoy a swimming party and picnic at Park View. As a committee to plan the event and have appointed Mary Glen Frenck and Mrs. J. W. Whitley, as a committee to provide for the entertainment. The group will gather at the church at one o'clock and go by car to the lake.
COMMENT
It may be mid-summer—you may be hot and bored—but on Friday, July 19, let's all get out for a holiday mood and attend the annual Hospital Benefit Dinner at Forest Retreat. Take every member of the family, visit with your friends, have a delicious dinner, have a good time. You will enjoy it and your committee hospital will benefit.
Enjoy your new 1952 car while you can—it will soon be last year's model. Soon the 1953 models will be dazzling our eyes. From what I read, all of the new cars are going to be completely new and different. In September or October when your new car has taken a "back seat" to the brand new models take heart. After fifteen or sixteen years, you really won't mind a bit!
