Thanks, Thanks, Thanks!

to my many good and faithful friends in good old Nicholas County who have "stood by" and helped me win the race for Sheriff. I will try to be worthy of your trust in me.

"My slogan, "Do unto others as you would have them do unto you," is well worth while, good to use as a candidate and then practice while in office. It has the hope of a better tomorrow if we apply it to our daily living. So, until the first of the year, when I hope to see each and every one of you at my "old stand" in the courthouse, may I again say "Thank you and may God bless you good people of Nicholas County".

Carlisle city school board selects former coach Rose as superintendent

Driver Is Injured In Crash In Bourbon

Bedford Leggett, 38, Route 2, Carlisle, was admitted to Bourbon County hospital early Friday night for treatment of injuries received in a wreck on the Little Rock road.

State Troopers John McKinney and Joe Hill said Leggett, headed toward his home at Levee, Montgomery county, failed to make a curve, left the road, traveled in the ditch a short distance, struck a culvert, then hit a fence.

He was pinned in the car when found by an unidentified pedestrian, the troopers said.

Leggett, a construction worker, suffered face and neck cuts and possible facial bone fractures, plus a possible knee fracture. The accident occurred about nine miles from Paris.

Tebay Rose

For the past five years Tebay has been coach of the Harrodsburg high school football teams going to that post from the same position here after five years.

During the time Rose piloted the Musketeer football teams, he lead his squads to some of their most successful seasons. His teams, the last two years he was here, won 15 out of 18 Central Kentucky Conference games.

Rose's season at the helm of the Musketeers came in 1950 when his team won six consecutive games and were undefeated until the final encounter.

In August 1946, Tebay came to Carlisle direct from the Armed Forces. He had previously coached in Harlan county.

A native of Welch, West Virginia, Rose made an enviable high school record, participating in football, basketball and baseball. As a college student at Morehead State Teachers College he made the All-State football team in 1940 and was mentioned on several "Little All-American" selections.

Mr. Rose holds a Master of Arts degree in Biological Science and has completed his academic work toward a doctors degree at the University of Kentucky during the past few years.

Rose replaces R. E. Davis as superintendent.

McNeelys attend Chicago convention

Rev and Mrs. Gerald McNeely of the Carlisle Baptist church attended the Southern Baptist Convention which met in Chicago, May 28-31, at the International Amphitheatre. Messengers from more than 30,000 Baptist churches met for inspiration, sharing of ideas and to transact the cooperative work of their churches.

The growth of every phase of Southern Baptist work continues to be phenominal and Southern Baptists remain the fastest growing major denomination in America. Also, since the convention last met in Chicago in 1950 it has added 1.5 million members and increased its total giving from $200 to $372 million a year.

An outstanding event of the convention was the agreement to start a sixth major theological seminary to be erected in Kansas City. The 8.5 million member convention, which has spread as far north as Canada and Alaska in recent years, now has seminaries in Berkeley, California; New Orleans, Louisiana; Wake Forest, N. C., Louisville, Ky., and Ft. Worth, Texas.

The McNeelys were presented to the convention on Foreign Mission Night together with forty other new missionaries who will leave soon for foreign service.
