**SUPER CROWN EXTRA**  
To merit your continued confidence, we were first to make the change of charge in engine design, and after Southern measures a dual and Super quality gasoline—designed to get full power, top mileage and best performance from today's super-compression engines... the response to SUPER CROWN EXTRA has been immediate—now sold by owners of new higher-compression cars, but from owners of older cars as well... One of our three popular gasolines—CROWN, SUPER CROWN or SUPER CROWN EXTRA is best for your car. Only you—by use—can tell which.
