Not here, we hope

An Associated Press article in daily newspapers the other day stated that towns on railroad lines are being abandoned and the towns' citizens are being advised to get out of town. This is a very sad thing to see. It is a sad thing to see the towns' citizens being advised to get out of town. It is a sad thing to see the towns' citizens being advised to get out of town.

There are many things that are being done to help the towns' citizens. There are many things that are being done to help the towns' citizens. There are many things that are being done to help the towns' citizens. There are many things that are being done to help the towns' citizens.

Washington Round

JOHN WATTS
High Food Costs, Low Farm Income
For the fifth month in a row the month of January set all time high in the cost of living according to statistics released by the Department of Labor. The immediate prospects are for a further rise in the coming months.
