The Golden Text is from Psalms (18:32): "It is God that girdeth me with strength, and maketh my way perfect."

"I can recommend him without hesitation to the people as a qualified and energetic public servant." COMMENT

When someone mentions the proposed federal budget of 72 billion dollars for the coming fiscal year my mind just won't comprehend it. The Northwestern National Life Insurance Company has come up with some understandable terms. 72 billion dollars would make a stack of 810 miles high.

It would pay the combined wages of a million manufacturing workers, at present average wage rates, for 17 years.

It is nearly two and one-half times our farmers' total cash receipts for all the products of American agriculture in 1956.

It is approximately twice as much as the United States Government spent for World War I.

It is more than one-fifth of our present national income.

It is $1,100 per American worker.

It is $1,700 per American family.

Spending 72 billion dollars in a year means spending $137,000 a minute for 24 hours a day for seven days a week for 52 weeks.

How do you feel about the proposed budget now?

Don't forget the P.T.A. banquet honoring Miss Mary Frances Fisher on Friday, March 29, at the Carlisle city school. Time 6:30 p.m.—K.T.F.

Miranda Homemakers

By Mrs. Edgar Scott

On Wednesday afternoon, March 13, Mrs. James Lowe was hostess to the Miranda Homemakers at her home. Sixteen members, four visitors and two children enjoyed the afternoon.

Mrs. Walter Kendall, president, had charge of the business. Mrs. Geo. D. Scott gave the devotional. Mrs. Scott also gave many helpful landscape notes on taking care of the lawns in the spring. Reports from various chairmen were given.

Mrs. Wilson gave us our March lesson on "The One Dish Meal" which I'm sure has proved very helpful to our club.

The term, one dish meal, is applied to a combination of substantial foods of the meal made into one dish. Such dishes usually contain protein, meat, eggs, potatoes, noodles or rice and at least one vegetable. It is always a good way to use left overs and dishes may be prepared early in the morning and cooked or re-heated just before meal time.

Be sure to add a little color to your casserole, carrots, peas, green beans, tomatoes, radishes or green peppers are excellent for color. Use only one starch (such as potatoes) in the dish; white sauce, meat stock and tomato juice are good bases for baked dishes; charactier may be given by the addition of crisp bacon or grated cheese, remembering to use as much meat or meat substitute as you have other ingredients.

A delicious sample of a casserole dish called "Deep Sea Delight" was served by the hostess for refreshments and coffee.

Our April meeting will be held at the home of Mrs. Walter Kendall.
