Electric freezer

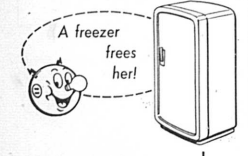

These Dads Know That... and they also know that good food is the best quality Funk's G-Hybrid like those in the picture are the answer to top one problem—freshness year.

FUNK'S G-HYBRIDS
are the answer to top one problem—freshness year.

- * Fresh, like when you were in the store.
- * GIVE IT YOUR BEST! — Fresh, like when you were in the store.
- * STAND UP till ready for you.

Balanced Performance

When you have an electric freezer you can bake an extra cake, cook larger portions—and freeze the extras for other meals. Think of time and work you'll have cooking for two meals at one time. Whether it's soup or snacks, fruit or vegetables, meats or desserts—they'll come out fresh and flavorful some other day when you're punched for time. And that's just part of the convenience of an electric freezer. See your dealer soon!

live Better Electrically with FULL **HOUSEPOWER**

Full HOUSEPOWER provides for maximum convenience, economical use of appliances you now own—and those you will add in the future.

Want that good FULL HOUSEPOWER is an investment in better living. Call our office or ask your electrician about the Certified HOUSEPOWER plan.
