## To the Voters of Nicholas County

As the time draws near for the Democratic Primary, I realize there are many of you whom I have not been able to see because of my duties at school. I am indeed sorry that I have not been able to visit each and every one of you personally but it has been impossible.

Therefore I want to take this means of contacting you and of asking you for your support and kind consideration of me for Tax Commissioner and of Charles Shankland as my deputy in the Primary Election, May 28, 1957.

Thank you very much  
**Glennie Fisher Gilley**

### TO THE VOTERS

The time is fast approaching when you shall make your decision for County Clerk of Nicholas County. I have made the race because I want for the Citizens of Nicholas County. I have worked hard and have been all over the county and also because of the requests and insistence of many over the county. I have tried to see every voter and I have been well received by every person with whom I have talked. I appreciate the kindness that has been shown me. If by chance I fail to see any voter, please understand that it was unintentional.

I am familiar with the duties of the office of County Clerk, and I am qualified to do them. I have had 18 years experience in record and filing work and I know the importance of a well organized and business-like office. I anticipate the pleasure of giving you, efficient, prompt, courteous and reliable service.

My number on the Voting Machine is 3A and I earnestly request that all voters give their serious consideration to my candidacy and what will be best for our County. With this statement I bring my campaign to a close. I humbly solicit your vote and I request that you use your influence with your neighbors and friends to elect me on Tuesday, May 28, 1957.
