To Nicholas Voters

During the past two years I've served you, my wife and I have given to you the best service we know how. We have tried to keep the jail clean, serving wholesome food, have treated prisoners with respect, have allowed visitors regularly and I have worked hard to keep your courthouse clean and presentable at all times. I have tried to be fair with all organizations when they needed use of the courthouse.

Since I've been your jailer I've succeeded in getting the flag on the courthouse bumrun again. I feel that since we are the only county having a flag such as this, that we should feel proud of it as now it waves once again—a beautiful sight to behold.

If elected, I will endeavor to do my duties the same as I have during the past two years. It takes hard work and a lot of time and I'll endeavor to do both to help keep the jail and courthouse presentable to all my friends in Nicholas County and Carlisle.

Thanks,
Mr. and Mrs. John McCarty

"Thank You"

Dear Citizens of Nicholas County:

During the past few months I have tried to the best of my ability to fill my office of Deputy Sheriff and at the same time carry on as vigorous a campaign as possible in the interest of my race for the office of Sheriff. Probably I have missed seeing some of you and I hope you will accept my apologies if I did not get to talk with you about the election.

My many friends urged me to run for Deputy Sheriff with your friend, J. Milton Fryman four years ago and I want to thank you for permitting me to serve as Deputy Sheriff during these past four years. I feel that these four years in office have given me valuable experience in properly carrying out and fulfilling duties which will be required of me if elected to the Office of Sheriff.

As your Deputy Sheriff I have accomplished the duties and responsibilities of the office without fear or favor to anyone and I pledge to you that if I am elected to the office of Sheriff of Nicholas County, I shall endeavor to continue to carry out the duties of that office, impartially.

In this fast moving world the Sheriff's Office is often requested to be present in times of emergency and it is possible that in the next few years need will arrise to have additional deputies. If such emergencies present themselves, I want to assure the citizens that I will do everything in my power as Sheriff to see that they are given adequate and proper protection.

I submit my record of integrity, honesty, impartiality, character, reputation, fair dealing, and fair play to the voters of this county in seeking their favorable reaction at the polls next Tuesday, May 28 in my race for Sheriff. Again I want to thank each and every person to whom I have discussed the election for their courteousness and kindness to me and I will appreciate your vote next Tuesday when you make the all important decision of selecting your Sheriff for the next four years.

J. Maurice Cameron

TO THE PEOPLE OF NICHOLAS COUNTY:

As the date for the Primary election draws near, I want to express my deep thanks to the people of Nicholas County who elected me as their Tax Commissioner four years ago. During the time that has passed I have tried with all my heart and with all my effort to make this county a good official.

This I believe I have done and in asking you to re-elect me I have every reason to believe that I have earned the right to submit my record as a good one. If re-elected I pledge the same fair and courteous treatment to each and every citizen of Nicholas County.

I assure you your vote will be appreciated at the polls Tuesday.

Sincerely
A. V. "Doc" Allison

A Slogan Used By My Opponent Some Twelve Years Ago

"Do not vote against your deputy, he deserves it"

NOW—"Don't vote against your deputy, he deserves your vote and support."

Your deputy
J. Maurice Cameron

Election Day and Your Responsibility as Voters

I am taking the liberty of addressing this message to the people of Nicholas County to urge them to go to the polls next Tuesday, May 28, 1957 for the purpose of selecting their county officials who will operate the county government for the people and by the people. It is necessary for everyone of voting age to cast his or her vote in each election to assure the electing of officials who they believe will best carry out good government for them.

It has been my real pleasure to serve as your County Judge for these past seven and one half years and I humbly ask you to stop and review some of the good accomplishments which I have been privileged to participate in and hereby bring about.

With pardonable pride I ask each of you to consider the road building program in Nicholas County during my term of office and I believe you will agree that the County has made great progress in its road system.

In conjunction with the road system let me refer you to the county owned and operated Rock Quarry which has been referred to as one of the most uptodate and modern quarries in the State of Kentucky and in which the people of Nicholas County have a very substantial investment estimated to be of a value of approximately a quarter of a million dollars.

The county institutions are in equally good condition which has been brought about by careful and prudent management, not only on the part of the office of County Judge, but also by your duly elected Magistrates who have tried to carry out your desires in the past seven and one half years. Again let me call to your attention the elimination of the expenditure of approximately $2500 per year at the Nicholas County Infirmary as a result of the adoption of a plan with your State of Kentucky whereby the care of the people at the Infirmary is paid for out of state funds. A similar plan of operation is in effect for all persons eligible to receive state aid who are patients at the Johnson Memorial Convalescent Hospital. And, let me thank the Board of Trustees of the Nicholas County Hospital Board as well as all of the personnel in the hospital for the very capable management of the county owned Nicholas County Hospital which is now in better condition than when it was first constructed.

I would also like to cite to you the accomplishments of your County Court and we feel that we have established a very enviable record in the treatment of young people. While it is true we have had some juvenile offenders of the law we have never been called upon to commit a single child to the Juvenile Detention Facilities at Kentucky Village and we believe that the vast preponderance of young people have been made better citizens of tomorrow.

This is but a few examples of the type of government which you have had while I have been privileged to serve as your County Judge. However, I BELIEVE THEY TYPIFY MY REAL AND SINCERE INTEREST of every citizen of the county. If you feel that these services have been in your interest, I believe you will not hesitate to let yourself be known as favoring a continuation of such good work by casting a vote for J. Maurice Cameron for Sheriff with whom it is my pleasure to be running as Deputy Sheriff. I feel that I can bring to the Office of Sheriff the knowledge that I have gained about the people of Nicholas County and we can render the type of law enforcement services that you so earnestly desire.

I want to thank each and everyone of the people of this County for cooperating with me during these last several years and especially these last few months since I announced my intention to run as Deputy Sheriff without the support and loyalty which has been shown to me it would have been impossible to have accomplished many, many of the projects with which everyone is familiar.

If I missed seeing any of you during the campaign, I want to ask your forgiveness as you will realize that it is not easy to see everyone personally and still carry out the everyday duties of an office holder.

Your vote and influence on Election Day for J. Maurice Cameron, for Sheriff with me as his Deputy will always be fondly remembered.

Spencer Taylor

Mayor Power reminds public of vehicle Safety Check plans

"Enjoy Your Ride — Drive Safely in a Safety-Checked Car." That was the advice offered area motorists my Mayor William Power today as he urged all drivers to participate in the voluntary Vehicle Safety-Check being conducted in Carlisle from June 8 to 15.

"Even the best driver may not be able to avoid an accident if his car is not in safe driving condition. Each motorist must assume individual responsibility to help reduce accidents caused by unsafe vehicles. He should have their cars safety-checked regularly and keep them in safe driving condition so be sure they can SEE, STEER, STOP SAFELY," he added.

"One out of every five vehicles checked in a nationwide Safety-Check last year needed immediate attention to one or more of the ten items affecting safe driving condition," he pointed out. The ten items in a Safety-Check are brakes, front and rear lights, steering, tires, exhaust system, glass, windshield wipers, rear view mirror and horn.

Check Lanes To Be Set Up

Mayor Power reported check lanes will be set up to give motorists a free and voluntary 10-point Safety-Check. Lanes will be manned by qualified mechanics.

The Safety-Check to be conducted in Carlisle is part of the annual National Vehicle Safety-Check for Communities sponsored by the Inter-Industry Highway Safety Committee and LOOK Magazine in cooperation with the National Association of State Coordinators, he explained.

Mayor Power urges all motorists to "Drive Safely in a Safety-Checked Car" and "Back the Attack on Traffic Accidents."

79 to receive 8th grade diplomas

Seventy-nine members of the Eighth Grade class will receive diplomas at the graduation exercises at the Nicholas County high school on Friday morning, May 31, at 9:30 a.m. CST.

The Nicholas County high school band under the direction of Mr. Andrew Chaky will provide music for the program.

Hon. Brooks Hinkle, State Representative from Nicholas and Bourbon County, will speak.

Rev. Ben Cain, Pastor of Moorefield Methodist church, will give the invocation; Mr. Raymond J. Wesley, Supt. of Nicholas County schools, will present the certificates of promotion; and Rev. Gwinn Bierley, Pastor of the Carlisle Methodist church, will give the benediction.

City police make 46 arrests in May

Arrests thus far in the month of May exceed by eight the total recorded previously in any month in the city of Carlisle according to Eugene Purvis, Carlisle chief of police. So far, 46 arrests have been made and a total of $444.00 in fines levied.

A breakdown of arrests made shows the following:

Driving drunk, 1; reckless driving, 15; public drunk, 12, breach of peace, 2; traffic violation, 8; no operator's license, 6, and warrants served, 2.

Parking meter deposits added $430.47 to the revenue from fines making a total of $874.47.

Over 100 attend alumni banquet

Over 100 attended the annual alumni banquet of the Carlisle high school on Thursday evening at the school gymnasium, honoring the 1957 members of the graduating class.

Tables were arranged tastily, and held decorations of red roses. Special music was given by the local "ballbaded" quartet, composed of Ralph Shearer, Roger Womack, Homer Blair and Henry Peters Jr. and Mrs. Coburn Miller, rendered one of her choice solos. John T. Hampton, the president, presided and R. L. Talbert served as toastmaster.

The class of 1922, which had 14 graduates, received the Levving Cup for having eight, the largest of any class' percentage present. Two graduates, Clifton Waught, Carlisle and Wilburn Atkinson, Lexington, have not missed a meeting of the association, since their graduation.

A most interesting letter was read from Dr. Jasper Shannon, of the University of Kentucky teaching staff, regretting his inability to attend.

Officers elected for the coming year were William E. Woodall, president; Sterling Saunders Jr., vice president; Mrs. Ann Galbraith, secretary, and Mrs. Ama Mae Hughes Davis, treasurer.

Among the out-of-town guests were Mr. and Mrs. Ray Walters, Berea; Mr. Mattox, Mr. and Mrs. John Hopkins, Frankfort; Wilburn Atkinson, Mrs. M. R. Burton, Miss Ellen Burton, Lexington; Mrs. Brooks Morgan, Louisville and Howard Mastin of Mt. Sterling.

'CARLISLE --- Fairest of the Fair'

By Nellie Crump

Please do not start a rumpus over this. All I know is what I read in an old Mercury which Mrs. Ed Hunter sent me recently —the Centennial Edition dated Thursday, May 31, 1900 is in good condition and I spent the greater part of one Saturday afternoon reading it. There are quite a number of these copies still in existence. I've learned, having been carefully tucked away for the benefit of future generations.

Fairest Land on Earth

"Carlisle, fairest of the fair" is the leading headline of the extra large eight-page Mercury nine columns wide (13 em too) by 24½ inches deep—real economy size! Type is handset. Each page contains many pictures of business places and leading citizens at the beginning of this century. There is talk of a waterworks system also.

W. J. Kennedy was mayor and J. W. Powling, city clerk; Solomon Robertson, circuit clerk; Leslie Hughes, deputy clerk. R. Rossell was superintendent of county schools and William F. Ramey, principal of the Carlisle graded school.

. . . Lawyer, Doctor, Chief

At the beginning of 1900 Carlisle and Nicholas County had 20 doctors! (Keep your shirts on now!) Just remember that was a time of few telephones and still fewer automobiles. Ten doctors served Carlisle and ten more were scattered over the county—Howe, Nash and Snapp, at Moorefield; Fisher, Headquarters; Philips, Morning Glory; Wells, Ellisville; Campbell, Miranda; Buntin, Brambbett; Durrum, Myers; Thompson, Blue Licks. (copied word for word).

Newspapers-Churches

There were also 13 lawyers in Carlisle, and three newspapers —The Mercury, G. R. Keller, editor; Democrat, Dr. McNew, editor and Nicholas Courier, edited by Wyatt Insko.

The four Protestant churches and the Catholic church have been so extensively remodeled, or new ones built outright, they are hardly recognizable.

Some of the business places today are much as they were then—the Courthouse, Cole's corner, Graeter's corner, Deposit Bank, Frey building, Roller Mills and jail are about the same.

The biggest change is the First National Bank corner.

Gone With the Wind

The sad note is that some of the places pictured are hardly remembered at all, having gone out of existence many years ago, namely Deering Camp Ground, Jersey Creamery, Donnell's "High View" Stock Farm, Blue Licks parks Ferry and the Washington Manufacturing & Mining Company.

The late S. H. Poe, father of Teddy Poe, of Carlisle, was photographer for the Centennial Edition of The Mercury.

Memories

A few names mentioned in the "Personals" of that edition will be remembered by some of our citizens: Mattie McClure graduates from Georgetown College . . . Laura Wasson returns from visit in Pleasureville . . . Florence Bostain left for Buffalo, N. Y., to attend musical college . . . George Young and wife visit the Feebacks and leave for Paris to make their home . . . Mrs. W. W. Howe returns from North Carolina and was met at Louisville by Bessie Spencer and Ollie Robertson on way to Mammoth Cave . . . M. V. Bostain and daughter Clara in Cincinnati . . . Roty Kirkland takes position as clerk at Colliver's Drug Store . . . Commencement at Sharpsburg Academy . . . Musical entertainment by Miss Ida Howard's music class.

Whiskers and Sarsaparilla

Two things I noticed in particular: (1) Nearly every man pictured had either chin whiskers or a handle-bar moustache. (2) Sarsaparilla was a guaranteed cure for every ailment.

Now this round go on and on but it is impossible to crowd eight out-size pages into such little-bitty space.
