Recipe of the week

>Housewives who shy away from veal because it lacks the rich flavor of older beef are often missing a good value at the meat counter. With proper seasoning and cooking, veal is both flavorful and tender. It combines well with other flavors, say food specialists at the University of Kentucky.

Veal roasts (loin, leg or shoulder) may be roasted or pot-roasted. If it lacks fat, cover with bacon or salt pork. The roast may be rubbed with cut clove of garlic, thyme or crushed bayleaf before being placed in the oven.

Veal chops and steaks are best when cooked with moist heat. The liquid used may be sour cream, top milk, cream soup such as mushroom, celery, chicken or tomato, or cooked fruits with juice.

Oven-baked Veal Cutlets

1 lb veal cutlets
Cornflake piece of veal steak
1 c breadcrumbs or cornmeal
1 egg
1 medium onion
1½ t salt
¼ t pepper
1 t paprika
1 c top milk
½ c shortening

Dip veal in crumbs, beaten egg and again in crumbs. Melt shortening, cook sliced onion until yellow, stirring occasional. Remove from skillet. Place veal in skillet and brown both sides. Add onion, other seasonings and milk. Cover tightly and bake in slow oven, 325 degrees, until tender, or about 1 hour. Four servings

CHS homecoming Friday

By Judy Galbraith

The Carlisle Musketeers will play host to the Cynthiana Bulldogs, Oct. 18, at the local field, at 7:30. This will be Carlisle's Homecoming game.

One of the three attractions will be the crowning of the Homecoming Queen, and her two attendants.

Another and probably the biggest attractions will be the Musketeers, who have remained undefeated so far this season. As everyone knows they are in first place with Shelbyville in the C.K.C., and hope to remain there through the rest of the season.

The third attention, but certainly not the least, will be the Carlisle Band. They will perform before the game, and at half-time. Also a giant pep rally is being planned. It will be held on the court house steps Thursday night and before the game Friday night. Let's all go down and show the C.H.S spirit.

Everyone come out and see the game, crowning of the Queen, and the band. After the game a Homecoming Dance will be held at the Armory for both of the teams and students, sponsored by the F.H.A.

Carlisle trounces Georgetown 33-7 in last Friday's gridiron thriller

by Sterling (Butch) Saunders

The Carlisle Musketeers trounced the Garth Bulldogs Friday night, Oct. 11 to mark their fifth straight win of the season. The Muskies racked up 15 points in the first half while allowing Georgetown to get their only touchdown of the game. The Muskies exploded in the second half to score 19 points in the second half and hold the Bulldogs scoreless. The current Carlisle team has now tied the best record ever hung up by a Muskie team.

The game got underway as Georgetown took the opening kick-off and put the ball in play on their own 23 yard line. The Bulldogs failed to go anywhere and were forced to kick to Carlisle. McGuffy took the punt back to the Georgetown 43 yard line where Carlisle took possession of the ball S. Wilson cracked through the Georgetown line to give the Muskies their first first down of the night. In three more plays Carlisle racked up another first down. Then three plays later Bob Henry hit Bill Straw with a pass in the end zone for the first touchdown of the night. There were two Georgetown men on Straw, but he managed to catch the pass anyway. S. Wilson tacked on the extra point to make it 7-0. Carlisle. Georgetown put the ball in play on their own 32. The Bulldogs failed to gain any ground so the ball went over to the Muskies on the 50. In two plays Hawkins and S. Wilson combined to bring in another first down for Carlisle. Then McGuffy streaked around end to rack up another first on the Georgetown 23. At this point the Muskies drive was stopped and Georgetown took possession on their own 25 yard line. The first quarter ended with the score Carlisle 7-Georgetown 0.

In two plays the Buffalos gained a first down, but it was wiped out by a 15 yard penalty which put them back on their own 20 yard line. Then a Buffalo fumble which was recovered by R. Wilson gave the Muskies the ball on the Buffalo 28. A 15 yard penalty against Carlisle moved them back to the Garth 42. Three line plays failed to pick up the needed yardage, but once again the Muskies elected to gamble for the first down. It paid off when Bob Henry hit his other end for a pass which was a beautiful pass play which carried to the Georgetown 2 yard line and a Muskie first down. On the next play S. Wilson crashed into the end zone for another T.D. Then for the first time this season Stanley Wilson kicked a perfect place kick through the uprights to give Carlisle a 14-0 edge. The Buffalos returned the kick to their own 30 yard line. On a third down play the Georgetown quarterback found his receiver in the clear and hit him with a pass. With some nice footwork and a few good blocks the ball carrier moved down to the Carlisle 30 before he was finally hauled down. Then despite a 5 yard penalty the Buffalos gained a first down on the 19 yard stripe. In three more plays the Buffalos racked up another first down on the 5 yard line. In two more plays the Buffalos scored their only touchdown of the night. The extra point was good making the score 14-7. The first half ended with Carlisle in possession of the ball. The score, at the half, stood at 14-7 in favor of Carlisle.

Asbury McGuffy took the opening kick to start the second half, and raced 90 yards for a T.D., but it was called back because of a clipping penalty. The Muskies had possession of the ball on their own 25. They failed to go anywhere, however, so they kicked to the Buffalo's on their own 24. Georgetown proceeded to rack up two successive first downs, one being on the Carlisle 48 and then the Carlisle 21. At this point the Muskies got a break when they recovered a Buffalo fumble on the Carlisle

Grimes Caywood of Carlisle, state editor of The Lexington Leader, was injured at 12:35 p.m. Saturday when his car struck a parked car on Main street near 19th street, Paris, Police Chief Carlon Jordan reported.

Jordan said Caywood was en route home after driving from Lexington when he "blacked out." He was taken to the Bourbon County hospital in the police cruiser.
