CHRISTIAN SCIENCE

The vital necessity of individual application of the teachings of Christ Jesus will be emphasized at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Doctrine of Atonement" is the Golden Text from Psalms (80:19): "Turn us again, O Lord God of hosts, cause thy face to shine; and we shall be saved."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (25:26-31): "Implicit faith in the Teacher and all the emotional love we can bestow on him, will never alone make us imitators of him. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us."

Also the Bible will be read the following (II Corinthians 5:17): "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new."

Carlisle Trounces

(Continued from page 1)

33. A fifteen yard penalty put the ball on the 46. Then S. Wilson broke through the line, got a few blocks, and did some fancy stepping to go all the way into the end zone for a T.D. The extra point was no good, so the score stood at 20-7 in favor of Carlisle. Georgetown took the kick on their own 38 yard line. The Muskies pounced on him for a loss of 8 yards. Georgetown lost the ball to possession on their own 30 yard line. Hawkins crashed the line to drive to the 29 for another first down. This is where the third quarter ended. The score was Carlisle 20-Georgetown 7.

Hawkins drove through the line to the 17 for another first down on the 17. A few minutes later McGuffy plowed to the one yard line before he was hauled down. On the next play he went into the end zone for another T.D. The extra point was no good. A roughing penalty against Georgetown on the touchdown play was marked off against them on the kick off. This placed the ball on the 45 yard line. The kick went into the end zone so Georgetown took over on their own 20. The Buffalos were held and forced to kick. The ball hit a Muskie player on the back. In the scramble for the loose ball a Georgetown player came up with it on the 50 yard line. Two plays later the Buffalos were jarred loose from the ball and Carlisle recovered the ball on the 44. Hawkins made a first down on the Buffalo's 42. McGuffy got another one on the 29. Two plays later McGuffy crashed through the line found a big hole and went into the end zone for the touchdown. Stanley Wilson got the extra point. The score now stood at 33-7 in favor of Carlisle. Georgetown took the kick off and marched for a first down on their own 37. This is where the game ended. The final score was Carlisle 33 Georgetown 7.
