How to gain freedom from sin by following the words and works of Christ Jesus will be a theme presented at Christmas Science services Sunday. Readings from the King James Version of the Bible and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy comprise the Lesson-Sermon entitled "Christian Science."  
Scriptural selections will include the Psalmist's words: "What time I am afraid I will trust in thee. In God I will trust, his word, in God I have not my trust; I will not fear what flesh can do unto me."  
From Science and Health will be read the following: "Christian scientific practice begins with Christ's keyword of harmony: 'Be not afraid!'"
