Read 11 Corinthians 4:13-18.

The highway of the upright is to depart from evil. (Proverbs 16:17.)

We have all had the experience of traveling over a highway that was bumpy, crooked, and full of holes. Then later we retraveled this same highway. But what a difference! The crookedness and roughness were eliminated.

The lives of most of us are comparable to a poor highway. Our lives are in need of change and repair. The more we grow in the Christian faith, the more we become aware of our sinful lives. We then have the desire to rid our lives of sin and make them Christlike.

No highway, no matter how good, will remain in good condition without constant, proper maintenance. The applies to the Christian life also. Regular prayer, Bible reading, and church attendance are all aids in maintaining the Christian life.

When we depart from evil, Christ will lead us to a new and living way of life.

PRAYER

Our Father, Thou knowest our sinful, crooked, and rough lives. We ask the guidance of the Holy Spirit in smoothing and straightening them, so that we can carry on the work of Thy Kingdom. We ask it in Jesus' name. Amen.

THOUGHT FOR THE DAY

When we depart from evil, we find a new and living way by following Christ. Edwin E. McDonald (Colorado)
