We wish to thank the many relatives and friends for their kindness and sympathy during the illness and death of our father, Hargis Gaunce. We especially wish to thank Mathers-Shearer, Bro Haley, Bro. Gaunce, the singers, also those that worked on the grave. May God's richest blessings be upon each of you. The family. 1-16-1*

Parks Conservation Club

The Parks conservation club was called to order January 9, 1958, by Mr. Holland. Mr. Holland and Mr. Duncan were our guests. We elected officers. They were: Ronald Howard, president; Harry L. Henry, vice president; Paul Dampier, secretary and treasurer; David Wagoner, reporter.

We had a round table discussion, on guns. We had a very enjoyable meeting.

Ronald C. Howard, pres., Paul Dampier, sec.

Parks Busy Bee Club

The Parks Busy Bee 4-H club was called to order by David Wagoner, our president, on Jan. 9, 1958. Mr. LeMaster and Mr. Straw were our guests. Paulette Anderson and Bernice Barbee led us in the 4-H Pledge. Harry Henry led us in singing "America" and "Old Ky. Home." Jean Sharp called the roll and read the minutes of the last meeting. Mr. LeMaster talked to us about our projects. Mr. Straw talked about the girls and boys and their projects. We received three new members. They were Garrett Slade, Gayle Snapp and Willie Tucker. Paul Dampier led us in a game. We had a very enjoyable meeting. — Bernice Barbee, Reporter

SOIL TESTS REQUIRED IN 1958

Soil tests to determine needed applications of liming materials and fertilizers for the establishment or improvement of grass-legume stands are required under the 1958 ACP Mr. Vice, Chairman of the local ACS Committee announced. Farmers desiring to obtain cost-sharing assistance for the application of liming material on land which is at present in grass cover, or will be devoted to grass and legume cover during 1959, will be required to obtain soil tests for determining needed applications. Also, to qualify for cost-share aid in improving old stands of grass-legume cover or establishment of permanent grass-legume seedings by the application of liming materials or fertilizers it will be necessary to determine the required application from a current soil test.

Mr. Vice said that the State ACP Program change requires the termination of practice needs on the basis of soil tests, together with recent fertilizer and cropping history of the field to be treated in 1958. The soil testing program will be handled by the county extension agent. Farmers should submit soil samples to the laboratory at the county agent's office. Soil samples brought in by farmers should be identified according to fields and crop and fertilizer history given to the county agent or laboratory technician for the purpose of making recommendations for needed applications of lime, fertilizer and other needed material and fertilizers.

All farmers should make tests as soon as possible on fields which are to be treated under the Agricultural Conservation Program, Mr. Vice emphasized. Cost-share approval may not be given until such tests are completed and results known.

Jennings rates

(Continued from page 1)

Joe Louis being knocked out by a sparring partner. Not once, but twice.

"Since I've gone this far, I'll just have to admit—won't I?—that I think we've got a pretty fair freshmen team," said Del Baron, in a happy and expansive mood.

"As a matter of fact, I'll have to say that this is the best freshmen bunch since the group that had Cliff Hagan and Frank Ramsey and Lou Tsioropoulos."

All of which is comforting to U. K. loyalists. For from the present Kitten squad, which now has a 2-0 record and which meets Campbellsville Junior College Saturday in a 6 p.m. prelim to the varsity L.S.U. contest, must come four men to replace starters on the Kentucky varsity.

Departed will be center Ed Beck, forward John Crigler and guards Gerald Mullins and Vernon Hatton. Sole regular returnee is Johnny Cox.

Rupp, though, apparently believes he has the wherewithall to find replacements among this season's yearlings.

At center, for instance, he says, "I think we'll have solved the problem that has plagued us for several years—that of the big man.

We think we have one in Ned Jennings. At least, he showed us plenty in a recent practice when he dunked in 36 points against the varsity."

Jennings is a 6-9, 220 pounder from Carlisle who played at Nicholas County. Described by Rupp as "one of the greatest prospects we've ever had at center," Jennings will battle it out for the position with present sophomore Don Mills. 6-7, next season.

Carlisle loses to Cynthiana 56-72

by (Butch) Saunders

Carlisle lost to Cynthiana in the first game of the new year 56-72. Jack Jennings, 10 by a score of 56-72. The Musketeers looked good and showed a big improvement over their previous engagement with the Bulldogs.

Carlisle got the opening tip to get the game under way. Cynthiana gained an early lead and kept it throughout the game. Carlisle never seriously threatened the Bulldog lead. On one or two occasions they looked as if they might catch fire, but they couldn't hold on. The Musketeers were at a disadvantage in the fact that the Bulldogs were definitely bigger. As a result Cynthiana controlled both back boards most of the time. At the end of the first quarter the Bulldogs had gained a 7 point lead and increased it to 18 points by the half. In the third quarter they were able to widen the lead by 3 to make it 21. Then in the fourth quarter Carlisle was able to steal the ball and make a fast break to cut the lead by five points and only lose by 16 which is not too bad considering how good a team they were up against.

Asbury McGuffy lead the Musketeers in the scoring column with a total of 17 points. Bill Straw was next, with 14. The rest of Carlisle's scoring was: Wilson 12, Vice 7, Henry 2, Smart 2, Kennett 2, and Hawkins 0.

Stout lead the Bulldogs in the scoring department with 24 points Custard was next with 14. The rest of the Bulldog scoring was: Page 10, Barnett 9, Ewalt 7, Blanche 6, Kelley 2, Northcutt 0, and Williams 0.

Quarter scores were: 12-19, Cynthiana, 19-37, Cyn., 34-55, Cyn., and 56-72, Cynthiana.

Prestonsburg, the oldest settlement in the Big Sandy Valley, was first known as Preston Station, named for Col. John Preston, surveyor from Augusta County, Virginia, who camped there in 1791.

"It Makes A Difference" Carlisle, Ky.

PUBLIC SALE

Saturday, Jan. 25 at 10:30 fast Hime.

Located 5 miles North of Carlisle on the Barterville Pike Due to ill health I have been authorized by Mrs. Lou Bishop to sell her farm which will be offered in two tracts.

Tract No. 1 has approximately 30 acres, has a good comfortable 8 room home with a good well at the kitchen door, also a good four bent barn and all necessary outbuildings. There is also a good cistern at the barn.

Tract No. 11 has practically a new five room house and approximately six acres of land. This farm is all in grass, has fair fencing and is well watered. The tobacco base for both tracts is 1.27 acres. Tracts will be offered separate and then as a whole with the best bid being accepted. If you are looking for a good little farm do not overlook this one. Milk truck, school bus and mail run daily. This is good limestone land and produces good crops. Property will be open by agent or owner.

Terms announced day of sale. Watch for sign on property.

VOLUME 91 ESTABLISHED 1867 CARLISLE, KY., THURSDAY, JANUARY 23, 1958 PRICE TEN CENTS NUMBER 4

Mayor breaks tie, Greene city clerk

A three-three tie was broken Monday night at a called council meeting by Mayor Power, and City Clerk W. J. Greene was reappointed for two years.

Mr. Greene was nominated by Councilman H. C. Galbraith and Mrs. Morris Whiteley was named by Councilman Rector Smoot. The vote was Councilmen Galbraith, W. H. Ivey and Mrs. Harper for Greene, Councilmen Smoot, Dailey Coulter and Teddy Poe for Mrs. Whiteley.

Other business before the called session was a motion by Poe, seconded by Smoot to publish the city's financial statement in compliance with KRS 61.290 passed unanimously.

Harper Gathey, Gine Brooks Henson authority to order two traffic light towers.

Harper-Galbraith Resolution against Harris-O'Hara bill concerning electrical gas at the well head which would result in additional gas increases.

Coulter-Harper To hire Paul Smoot as fire chief at $100 per year and $3 per fire call and Clyde Snelling assistant fire chief at $40 per year and $3 per fire call. Fire Chief Smoot assured council that the department would be reorganized and a new checking system installed. Also that the men would be paid only to those who attend both department meetings and fires.

Smoot-Galbraith That one day's parking meter receipts (Saturday) be donated to the March of Dimes drive. Five voting for and one not voting.

Discussed the need of additional room for storage of city equipment and to provide a place for the fire department volunteers to meet. re-wiring of the water works system at the reservoir and installation of a low pressure switch and entrance noted that work had begun on clearing of water storage tank and the fact that extensive repairs may be needed. that Dorseyville bridge floor has been inspected recently and that should be clearly marked as to load limit. that Paul Hunter of the State highways department would make a traffic survey to determine if the state will help in the installation of traffic lights. that the city was now purchasing gas on a flat rate, namely 48 cents per thousand cubic feet rather than on a demand rate.

Prior to the election of a city clerk the following article was given councilmen by the mayor for their information:

City Clerk-Treasurer

No books are available for the year 1953 but the annual report shows $9,500.00 borrowed from the bank at interest.

In the last four years no money has been borrowed.

In four years the Treasurer with Council's approval, has earned for The City the following interest:

2% interest on Bond Funds on time deposit $4,900.00 Interest on bonds, retired before due $16,147.00 TOTAL $21,047.00

The beginning of 1954 The City Council appointed a man who promised to do all the jobs, instead of having two or three persons in the office.

Prepare 600 tax bills, send out notices and collect Except for a few auto owners who moved away, all taxes have been collected for four years.

Prepare 1,100 gas and water bills, each month, send out notices and get the money.

Deposit all monies, as received, in ten (10) separate bank accounts. Write 3,253 checks.

Enter each transaction in a modern ledger, showing exactly how money was received and for what it was spent. This ledger can be quickly audited.

File a duplicate of each deposit slip and the stub of each check File all paid bills and show on each the account received, when received them, date paid and serial number of the check. File by months, in numerical order, so that any item may be located instantly.

Submit a detailed quarterly report to The Council.

Make monthly, quarterly and annual reports to The State and The Federal Government on sales tax, Social Security, Withholding Tax, ETC.

Handle all accounting, clerical work and correspondence.

Two killed in Saturday crash

A mother and daughter were killed and nine persons injured slightly early Saturday morning in a beaden collision on U. S. 68 near Forst Retreat.

Killed were Mrs. Mary McKeddy, 49, of Ingomar, Bell county, and her 12-year-old daughter, Ronn, passengers in a car driven by Charles Leonard Fuson, 28, also of Ingram.

State Trooper E. J. Kirk said Fuson's car collided on a curve with one driven by Wesley G. Witt, 35, of Lansing, Kirk's officer quoted Fuson as saying the front portion of his car on wet pavement.

Fuson and three others in his car and Witt and four passengers in his car were treated for minor injuries at the hospital and then released. The two dead were removed to the Mathers-Shearer Funeral home and later to Ingram.

Investigating officials were State Trooper E. J. Kirk, and John Anderson, local sheriff, who stated that 'speed and slick roads contributed to the accident. The Fuson car was badly wrecked.

Chamber of Commerce dinner, business meeting Jan. 30

The semi-annual meeting of the Carlisle-Nicholas County Chamber of Commerce will be held on Thursday night, Jan. 30 in the Masonic hall, according to A. V. Allison, president of the Chamber. Arrangements have been made with Morris Whiteley president of the Rotary, to hold a joint meeting with the Rotary Club The dinner will be served at 7:00 p.m. fast time, served by the Eastern Star.

Business Session

The Chamber of Commerce will begin their new fiscal year with the new officers and directors in charge following the membership meeting. The business session will include reports from the various committees Chairmen of activities carried on throughout the year Nate Young, Jr. new president will outline plans for 1958

Gano Duncan to retire

Gano E. Duncan, for the past 26 years the head of the radio, TV and appliance firm known as G. E. Duncan & Son, has announced his intention to retire effective Feb 1. Prior to the establishment of the shop in 1932, Mr. Duncan was with the telephone company.

Mr. Duncan's son, Billy, who has been a partner in the business since the end of World War II, is purchasing his father's half interest and will continue the business.

Mr. Duncan Sr. stated he was moving Carlisle Feb. 1 for an extended vacation in Florida.

Snapp, instructor "The New Testament In The Life Of Today." Rev. T. O. Harrison, instructor

These courses are not only for Sunday School workers, but for all persons who wish to improve themselves as church members. The first session of the School will be held on Sunday afternoon, Feb. 9, at 2:30 (Fast time.)

LIBRARY RE-OPENS

The Nicholas County Memorial Library, re-opened Saturday in the new room on the north side of the rest room, known as the ladies lounge on the basement floor of the court house.

The Library, established here in September, 1947 has been located on the second floor of the court house, had outgrown the room. The new location is much more convenient for the public. Rev. W. R. Raborn is president of the Board of Directors, and Mrs. Lewis Robbins, Librarian.

NCHS defeats Estill county

On Tuesday night, Jan. 21, the Nicholas County Bluejackets defeated the Estill county Engineers by a score of 62 to 47 on the Engineer's floor

Coach Finnell said: "This was probably the best game that we have played all season" Earlier in the year the Estill County team had defeated Nicholas County.

Leo Lynam, Nicholas guard was the leading scorer with 23, followed by Asbury Guy with 12 Marian Campbell, 10. Charles Pribal, 8, and Steve Pumphrey, 6 The above boys played the entire game

The scoring by quarters were

Estill county	11	25	37	47
Nicholas County	12	31	46	62

The Nicholas County "B" Team also won their game

On Friday night, January 24 the Nicholas County team plays M.M.I. at Nicholas County and on Saturday night plays the home court Saturday night, Jan 25

Wool incentive program announced

The 1958 wool incentive program recently announced by the U. S. Department of Agriculture will be similar to the program in effect during the current marketing year, according to H. S. Vice Chairman, Nicholas Agricultural Stabilization and Conservation Committee.

As announced earlier, the shorn wool incentive price in 1958 will be 62 cents per pound as during the past three years The payment rate for shorn wool will be the percentage required to bring the national average price received by all producers for sales during the 1958 marketing year up to the 62-cent incentive level. The payment rate for the 1956 marketing year was 46 percent

Producers who market wool during the 1958 marketing year will be eligible for a payment which will be an amount equal to the percentage rate times the proceeds from the sale of their wool. Payments will be made on the 1958 wool in the summer of 1959, when the tabulation of production records is completed.

CHILD INJURED

Lonny Bryant, 11-year-old son of Mr. and Mrs. Mason Bryant of Hich received painful injuries received while playing with another boy in a game called "Civil War" at the city school He was treated at a physician's office and has been recuperating at home for a week.

Musketeers defeated by Deming Friday; Buffaloes Tuesday night, 37-52

by "Butch" Saunders

Carlisle was defeated by Deming last Friday, Jan. 17 by a score of 70-61. The Musketeers played a pretty good game but the uncommon accuracy of the Deming rifles proved to be too much.

Evenly Matched

Both teams were about evenly matched in the height department. The game got under way with Deming getting the opening tip. The Muskies didn't get off to a very good start as they seemed to have trouble finding the range on the basket. This seeming proved fatal later on in the game. After they did get squared away Carlisle settled down and started to play ball.

The lead went back and forth between the two teams and finally wound up to a 16-16 deadlock at the end of the 1st quarter. The second frame went pretty much the same way but Carlisle lead by one point at the half, the score being 33-32. The third quarter was pretty much like the first half.

Both teams played good ball and took advantage of each others mistakes. However, Deming managed to have a 49-54 edge going into the final period.

Then for no apparent reason Carlisle couldn't even buy 2 points This scoreless streak lasted for the first 3 minutes of play and increased Demings lead to approximately 22 points.

The Muskies finally began to hit, but they still couldn't cut the lead. With only a little less than 3 minutes remaining Carlisle began to fight back. The Muskies would steal the ball and come down the floor for a shot under the basket. Deming wanting to protect their lead, would throw all caution to the wind and foul their opponent as he shot for the ball. This would result in the basket being good and a foul shot. Even at this Deming was having a hard time missing and as a result Carlisle couldn't close the gap fast enough. Time ran out with Carlisle still 11 points behind.

Most of the Carlisle scoring was done around close to and under the basket along with a sprinkling of shots from outside. Asbury McGuffy walked off with high point honors for the Musketeers with a total of 16 markers. "Chuck" Vice hit for 12 to be the next man in line. The rest of the Carlisle scoring was: Straw 11,

ATTACKED BY FOX

N. L. Buckler of near Carlisle was attacked by a gray fox as he fed cattle at his barn on the Upper Jacktown pike Tuesday morning. It was killed Thursday by him and his son R. L. Buckler and its head was taken to Lexington where analysis proved a sure case of rabies. Mr. Buckler says, "Thanks to my neighbors for coming to help."

ROTARY MEET

The Carlisle Rotary Club will be host to the Millersburg club tonight (Thursday) 6:30 o'clock Attorney Joe Frank Conley is in charge of the program which will feature a talk by Rep. Brooks Hickle.

City and County police officers received a break on three recent break-ins when a group of young men picked-up Monday night implicated himself in the burglary of the city school the day night.

County Attorney Charles M. Cox, stated Tuesday that Clayton Morris would be charged with breaking into the city school building Morris allegedly entered the building on the East side through a window in the sixth grade room. Locks on five doors in the building were broken, a soft drink machine was badly damaged and desk drawers in the city school were ransacked. Nothing was reported missing, however.

Others Charged

Two other young men, William Morris and Billy Craig, also picked-up Monday night, are charged with a recent break-in at Ellisville school in the County and a theft at the home of David Sundys on the Hickory Ridge road, some two miles north of Carlisle Sunday morning.

Missing from the Sundys home were a shotgun, two rifles and two pocket knives. When William Morris and Craig were brought in by officers, they were found in possession of two pocket knives which Mr. Sundys has identified as being the ones stolen.

It was learned also, that Mr. Sundys had found the gun which were concealed in a barn some distance from the Sundys home by following tracks the two had made. The guns were left in the barn in hope the culprits would return for their loot, but the youths had been picked-up.

Wednesday morning William Morris and Billy Craig waived examining trial and were held to the grand jury on bond of $1,000 each.

FIRE DEPARTMENT TO HOLD MEETING

Paul Smoot, fire chief, has announced a re-organizational meeting of the Carlisle volunteer fire department at the city building Tuesday night, Jan. 28. All members are urged to be present.
