He's Your Man...

At regular intervals, an A.B.C. circulation auditor visits your office to delve into our records on your behalf.

He's thorough, exacting, complete. He leaves no stone unturned to get the circulation facts.

When he has finished his audit, he tells us what we have. He produces the facts on the quantity and quality of our circulation.

He's your man, actually—he works for you.

HALF-PAST TEEN

They tell you, in the precise language of an accountant, exactly how big a circulation audience you are buying, where members of that audience live, and some of the reasons why they chose to be a part of that audience.

Ask to see a copy of our latest A.B.C. report.
