Business upturn

A business upturn has begun in certain important areas and the prospects are that it will keep on gathering momentum. The first-fruit business in the U. S. News & World Report recent issue and is based on reported figures which are gradual over the months ahead. More work in activity is not expected. Improvements will be made more marked in some fields of enterprise than in others. But strong, and they could lead the dollar volume of spending to a record level by the end of 1958.

The good signs range from the coal and steel industries. The coal industry has been down since the last year but is now showing signs of recovery. The steel industry has been down since the last year but is now showing signs of recovery. The steel industry has been down since the last year but is now showing signs of recovery.

Farmers report good wheat yields, County agent organizes pig club

Albert Swann, son of Rev. C. A. Swann, pastor of the Carlisle Methodist Church, will be in charge of the pig club. The club is organized for the purpose of improving the quality of the pig crop. The club is organized for the purpose of improving the quality of the pig crop.

COLIC LANE AND STORK AVE., U. S. A.

Today's meditation

God is at work in you, both to will and to work for his good pleasure. (Philippians 2:13, RV)
Listening to a radio on day 1, I heard these words: 'Movement always wins, consider the water which drop by drop wears away the stone.' One might want to qualify that statement a bit, but consider also the word 'always'.

THE WORLD'S MOST WIDELY USED UPPER LIP GUARD

Advertisement for an upper lip guard. The text describes the product as a 'wonderful' device that provides protection and comfort. It is marketed as the 'world's most widely used'.
