Council meet held Monday

The city council met in regular session Monday night with all councilmen present. Minutes of three previous meets were read and approved.

A representative of the L. B. Price Co., appeared before council to request that special consideration be given their Bible salesman. It was brought out that besides selling of Bibles the company sold other merchandise which was deemed competitive with local merchandisers. On motion offered by Councilman Toddy Poe, seconded by Robert Coatney, council voted to let present ordinance stand, ie., peddler's license $40 per day.

Under discussion was a proposed sewerage disposal system for the city. Council heard R. W. Thornburg of a Cincinnati investment firm, which was bidding for the job of becoming legal agent for the city, should they decide to go ahead with sewer plans.

A motion by Councilman H. C. Galbraith, seconded by William Harper and passed by council instructed the city clerk to write Grant Bell for an estimate of costs of getting present sewer blueprints and specs brought up to date.

Noted that 10 water meters were frozen in cold spell last.

Discussed consolidation of industrial plants and equipment. Some 24 policies are now in force. No action was taken and the matter was tabled.

Heard a report on a Civil Defense meeting attended by Councilman Coatney. Adjourned.

MR. SANDIDGE RETURNS HOME

Willard Sandidge, returned home from the hospital last Tuesday. We hope he has a speedy recovery and that he is back in school again before long.

LYONS INJURED

Ewell H. Lyons, Carlisle route 2, was seriously injured last Monday at Versailles, when a fertilizer spreader, pulled by a truck of his employer, which he was driving and struck him. He and other employees of the farm machinery store were attempting to unload the machinery from the truck when one of the other men dropped his side of the spreader, causing the machinery to fall from the truck. Mr. Lyons is an employee of Elmwood Stock Farm, Inc., Darbel

He was treated by a local physician and after returning home Tuesday and his condition is reported as fair.

Farm Loan annual meeting set

Carl Sheriff, district officer of the Kentucky Co-Op Council and also Secretary-Treasurer of northern Kentucky National Farm Loan Association, of Williamstown, will be the guest speaker at the annual meeting of the Limestone National Farm Loan Association, to be held at the Courthouse in Maysville Monday afternoon, March 10, beginning at 2:00 p.m.

Official announcements have been mailed to members of the organization in the six-county area of Nicholas, Mason, Bracken, Fleming, Robertson, and Lewis. Other features of the meeting, according to announcement of Miss Lorraine Kinney, Secretary-Treasurer, will be reports on the year's business and the distribution of a dividend to members.

Three persons in County take rabies shots

Three persons in Nicholas County are receiving treatment for the prevention of Rabies. Mr and Mrs. Russell Ahnee and Mr. Elmo Ahnee are receiving the treatment. They all contacted a cow owned by Mr. Russell Ahnee which died Tuesday, Feb. 25, and was found to have rabies by examination at the Public Health Laboratory in Lexington. Dr. Plummer, Veterinarian from Millersburg, is taking treatment after treating the same cow.

Miss Lois Campbell discovered an opossum in her yard acting very strangely. Authorities felt the animal had rabies.

These cases can show the seriousness of the problem. It cannot be overstressed that everyone continue to be very cautious when contacting any animal now and for some time to come. Under no circumstances should anyone attempt to treat an animal until rabies has been completely ruled out by a qualified person.

The local Health Department Staff is attending a three day Kentucky Public Health Association Meeting in Louisville this week. The Health Department will open Friday.

Local Health Department Staff members are working in coordination with the County Extension Office in a long range public health and safety program. Committee meetings were held Thursday, Feb. 27 to outline programs. A complete report of the work will be published by the committees later.

Princeton, an industrial and retail center and seat of Caldwell County, is widely known for beautiful tree-shaded streets and well-kept old homes. Underneath the town flows a subterranean stream that is the town's water supply.

RUPTURE

Expert Coming To Mt. Sterling & Paris Again

DEO. L. HOWE

Well-known expert, of Indianapolis will personally demonstrate his method without charge at the Montgomery Hotel, Mt. Sterling Friday, March 14 from 9 A.M. to 12 noon and at the Bourbon Hotel, Paris from 2 P.M. to 6 P. M. Ask for Mr. Howe at desk.

Mr. Howe says the Howe method contracts the openings in remarkably short time on the average regardless of the size or location of the rupture and no matter how much you lift or strain and puts no pad to bother the same day as effective as before you were ruptured.

The Howe Rupture Shield has no leg strap, waterproof sanitary, practically indestructible and can be worn while bathing. Each shield is skillfully made to your exact order and comes with a perfect fit and satisfaction.

Large and difficult ruptures following operations especially solicited.

Do not overlook this opportunity if you want gratifying results. Mailing address: Howe Rupture Fdt. Washington at Lincoln, Oakland City, Indiana.

Of 248,720 rural homes in Kentucky, almost half were built before 1919; only 5½ percent have central heating systems, and 7½ percent, water systems.

Dates for the observance of the 13th National Home Demonstration Week have been set for May 5-12.

The Carlisle Mercury

National Library Week March 16-22, 1958

Children's pictures taken today at Bourbon Laundry on Locust

Today is the big day for the picture taking of your youngsters! The Carlisle Mercury is having pictures taken of all children who are brought by their parents or other guardian to the Bourbon Laundry on Locust street between the hours of 10 a.m. and 5 p.m. absolutely free of charge.

The Carlisle Mercury wants a picture of your child to print in its forthcoming feature, "Citizens of Tomorrow", a series of photographic studies of local children. The more we get the better the feature will be, so the cooperation of the mothers and fathers is urged.

It often seems to parents that children are little one minute and grown up the next, so fast does a child's growing up fly by. Here is a golden opportunity to catch a likeness at your child or children at the present stage for the pleasure you will get out of it in future years and for the pleasure you will enjoy in seeing it in print. You will want to clip it from this your hometown newspaper, and preserve it for the youngster when he or she grows up.

There is absolutely no charge or obligation for taking the picture either, though you may obtain additional prints by arranging direct with the Studio representative if you want them. That is entirely up to you.

Appointments may be made by calling Mrs. Mary Claycomb, phone 364, Carlisle.

Easter Seals mailed here

The 1958 Easter Seal Campaign of the Kentucky Society for Crippled Children began March 10 according to Mrs. Harold Letton local chairman, with the mailing of more than 450,000 letters to residents in every county in the state.

This the 25th annual Easter Seal appeal of the Society—will run through April 6. Easter Sunday.

The funds contributed each year by Kentuckians are used to help children crippled by many causes.

The 1958 Easter Seals are of two designs One showing the traditional Easter Lily, the other a child with a crutch. Both bear the inscription. "He Helps Crippled Children."

Last year the Easter Seal appeal in Kentucky raised $223,663.77, with which the Society gave direct service to 3,066 physically handicapped young sters Increased costs of hospital and clinic care for crippled children and the growth of services offered by the society makes it imperative that more funds be raised this year, according to O. L. McElroy, state chairman

In addition to financing its present program of statewide therapy, hospital care, special schooling and recreation and camping, Easter Seal funds will be used to staff and operate the new Hearing Center to be opened in Louisville this spring and for the development of a resident camp for physically handicapped youngsters in Carroll County.

Facilities operated by the Society include Cardinal Hill Convalescent Hospital and Cardinal Hill Nursery School, both in Lexington; the West Kentucky Center for Handicapped Children, Paducah; and the Northern Kentucky Crippled Children's Treatment Center and the Opportunity School, both in Covington.

M.M.I. edges Carlisle in tournament

by Bill Conley

The Carlisle Musketeers lost a heartbreaker to the Cadets of Millersburg Military Institute on Thursday night, March 6 at the Muskies first 1958 District Tournament game at Paris as both teams were tied at the end of regulation time at 47-47 and after a very exciting first quarter, were trailing the Muskies by only three points During the second period it was nip and tuck as the Cadets scored 9 points to Carlisle's 6 making the half-time score evened at 20-20. There were 23 points scored in the third period and Carlisle came out one point ahead of Millersburg.

Both teams were playing excellent ball and both teams had the range of the nets. The fourth quarter proved to be the fatal quarter for Carlisle. The lead was exchanged all during the period but the Cadets made a quick two just before the buzzer sounded winning the game for them, 43-41. The huge crowd was kept on its feet throughout the game and there were many sad hearted people from Carlisle as they watched the Muskies end the '58 season by losing a hard fought game to M.M.I. "Chuck" Vice led all Carlisle scorers with 12 points. He was followed by McGuffey with 9, Straw 8, Henry 4, Wilson 4, and Kennitt 4

Fairchild led the Cadets with 15 and was followed by Helton with 10, Miller 7, Gardner 6, and Aulick 5.

Quarter scores were 1st quarter 14-11 Carlisle; 2nd 20-20; 3rd 32-31 Carlisle, 4th M.M.I. 43-41.

Watts seeks re-election

Kentucky's Sixth Congressional District Representative John C Watts announced Tuesday that he had filed with the Secretary of State necessary papers officially initiating his candidacy for nomination in the Democratic party to succeed himself.

Congressman Watts has served the Sixth District since 1951, succeeding the late Tom Underwood. Watts' papers were endorsed by Mrs Virgil Chapman, widow of Rep. Virgil Chapman, who represented the same district in Congress for many, many years; Russell Brumfield, County Judge, Jessamine County; Herndon Evans, Editor of the Lexington Herald, and Z. T. Johnson, President of Asbury College, Wilmore, Kentucky.

CARLISLE NOW A FOURTH CLASS CITY

Following passage by the Senate last week of a bill introduced by Rep. Brooks Hinkle, Carlisle was legally raised to a fourth class city

Mayor Bill Power, questioned as to what impact this might have on the city's affairs, stated, "Installation of a sewer system is the first thing to do."

Rat War Needed

If everybody would put out a box of rat poison, the problem would be licked, but let's hope the Chamber of Commerce or some other organization will lay the ground work for a "rat war". Mayor Power added

Property damage is reported high, and in one instance about $200 damage was done to goods at Giffin Manufacturing Company by rodents.

Fishing prospects bright, Duncan

Fishing Prospects in Nicholas County were 640 times brighter this year, according to a statement released today by Nicholas County Conservation Officer Harry Duncan.

Duncan said that's the number of fish which were stocked in local farm ponds last year.

The stockings are part of the Dividsel of Fisheries long-range plan to provide good "back yard" fishing for Kentuckians in every section of the state. Under the program bass, bluegill and shellcrackers are provided free of charge to farm pond owners.

Local conservation officers aid Division of Fisheries experts in selecting and stocking the various farm ponds.

Duncan said 500 bass, and 140 shellcrackers were stocked in local farm ponds last year.

Farm pond owners interested in securing fish for 1958 stockings should contact Duncan at Route 3 Carlisle, Ky., phone 567-W-1.

A Soils and Tobacco Meeting will be held at the Nicholas County high school on Friday night, March 14 at 7:00 p.m., slow time. The meeting is being arranged jointly by Foster Pumphrey, Agriculture Teacher, William F. Threlkeld, Soil Conservationist, William T. Straw, County Agricultural Extension Agent

Mr. Lyle Leonard, Field Agent in Soil Conservation, will be present to assist in discussing soil and pasture development. The program will include an explanation of the practices involved in cost-sharing in pasture and hay development in cooperation with the A.S.C. Program.

A twenty-eight minute tape recording prepared by Russell A. Hunt, Field Agent in Tobacco, and Robert Ford, of the Kentucky Agricultural Experiment Station, will be presented. The recording will summarize Kentucky Experiment Station recommendations in growing Burley tobacco in 1958.

Mr. Pumphrey, Agriculture Teacher, announced that this meeting to be held on Friday night will be the first meeting of the Adult Farmer Class which will have one night meeting per week for the next five weeks.

The public is cordially invited to attend this meeting and the ones following in connection with the Adult night classes.
